A WORD FROM THE BARRINGTON SELECTMEN

“The legitimate object of government is to do for a community of people whatever they need to have done, but cannot do at all, or cannot so well do, for themselves in their separate and individual capacities.” Abraham Lincoln.

The Board of Selectmen has a solid record of achievement for 2011. One of the essential services which the State and Town provides is the road network. A road network is like most things in life that wear out with use. The Board of Selectmen hired Dubois and King engineering firm to do a thorough review of the road network, and make suggestions on annual maintenance. It is clear that the town is not doing enough annual maintenance to prevent the overall road network from deteriorating. The study indicates an additional \$500,000 should be spent annually to maintain the current quality of the road network. The highway network is a priority for the Board.

There are many other examples of services which fit Abraham Lincoln’s definition of legitimate objects of government. The town can take pride in the public safety services which the police, fire and rescue provide. The cultural services of the Barrington public school system, the recreation department and the library greatly enhance the quality of life now and into the future. The transfer station is important for the public welfare in keeping the community clean. The land use and building inspection departments enable a community to set its course toward quality buildings, preservation of open space and protection of the public from shoddy construction and unsafe practices.

In 2011 the Board of Selectmen invited the public to help develop a vision, mission and values statement. This appears elsewhere in this report. We encourage you to look at this document as a guide for what we wish to accomplish.

There are a variety of other town services that are essential to the Board’s vision, mission and values. Many of these like tax, assessing, finance, office support, etc. were located at the old building used for town offices. Unfortunately that building has serious moisture and mold issues, is not compliant with Americans with Disabilities standards and is very inefficient with use of ever more expensive energy. After the voters rejected the proposed plan for renovation, the Board decided action was needed to protect the employees who work there and the public which visits the building. The Board entered into

a one year lease with four renewal one-year terms at the same rental rate for 333 Calef Highway. The Town Offices were moved to this relatively new office condominium building that has six units with enough space for the operation of

the Town Offices. The new building is more energy efficient, ADA compliant and healthier for the employees who work there and the public which visits the building.

The new building also enabled the Town to make the cost-effective move to upgrade the computer and phone systems rather than costly maintenance of the old systems. This includes replacement of obsolete computers and moving to a digital voice over IP phone system. Another technological change included entering into an agreement to completely revamp the town website. The results of these upgrades should be seen in early 2012 with such potential innovations as electronic registration for recreation program, upgraded availability of assessing cards and GIS maps, a more transparent file system to enable users to find documents more easily, etc.

Residents who use Metrocast Cable services now have a local Town and School Bulletin board on Channel 26. Negotiations continue on the franchise renewal. The conclusion of that should result in the ability to broadcast recordings of the local town boards and committees and of locally produced governmental information shows. This year also marked the first time in three years in which a CPA audit was done on the town financial reports. The Board entered into a three-year agreement with Roberts and Greene the audit. The Board and staff also worked with Municipal Resources to review the town's internal controls and other financial policies and procedures. This report was funded by our risk carrier. The conclusion of the report states, "The town of Barrington seems to be headed in a very positive direction..." The suggestions of both the audit and the financial review are being implemented.

Long-term Town Administrator Carol Reilly retired in 2011. The Board appreciates her many years of dedicated service and wishes her well. After advertising and interviewing candidates for her replacement, the Board selected John Scruton to be the new Town Administrator starting in May. John has over twenty years of experience leading communities as varied as Farmington, Goffstown, Plaistow, Nashua and most recently Rochester.

The Board of Selectmen wishes to thank all the citizens of Barrington who have participated in local government, especially those who have served on the various Boards and Committees. The Board is also grateful for an excellent group of employees who have dedicated themselves to serving the public. The Board knows there will be continuing challenges in 2012 but is eager to continue to help Barrington to be a great place to be.

TOWN OF BARRINGTON, NEW HAMPSHIRE
2011 Annual Town Meeting

The Moderator opened the meeting at 9:07 am and read the following statement:

To the inhabitants of the Town of Barrington, in the County of Strafford, State of New Hampshire, qualified to vote in Town affairs: You are hereby notified of the annual meeting.

The first session for the transaction of all business other than voting by official ballot shall be held Saturday, the 5th day of February 2011 at 9:00 am at the new Middle School on Route 9 in Barrington. The first session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

- Warrant articles whose wording is prescribed by law shall not be amended.
- Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot, and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 8, 2011 at the new Middle School on Route 9 in Barrington. The polls shall be open from 8:00 am to 7:00 pm.

He listed his rules of order as follows:

- No smoking.
- No food or drinks, except water, in the gym.
- All persons should take notice of fire exits and bathrooms.
- The Moderator has no set rules of order.
- The Moderator reserves the right to limit debate.
- All debate should be concise and pertinent to the article.
- All requests to speak are through the Moderator, and speakers must first state their names.
- Only eligible voters may vote on amendments.
- The Selectmen, Town Administrator, and Budget Committee may speak first to any article.
- All complicated articles must be in writing.
- With Secret ballots, all elderly and disabled will vote first.
- The Moderator reserves the right to recognize others, when there is a repeat speaker.
- No personal attacks will be allowed.
- No more than one article on the floor at the same time

WARRANT ARTICLES

Article 1. To choose all necessary Town Officers by ballot and majority vote, including:

- Two Selectmen for three years.
- Two Library Trustees for three years.
- One Trustee of Trust Funds for three years.
- One Cemetery Commissioner for three years.
- One Tax Collector for one year.
- One Town Moderator for two years

The Moderator explained that Article 1 would appear on the ballot as candidates who filed for office.

Results:

Selectmen 3 yrs: Dawn Hatch, Charter Week
Library Trustee 3 yrs: Peter Royce, Frances Ditursi
Trustee Trust Fund 3 yrs: Robert Drew
Cemetery Commissioner 3 yrs: Richard Walker
Tax Collector 1 yr: JoAnn Krupski

Ron St. Jean of the Greater Barrington Chamber of Commerce announced that there would be a “Meet the Candidates Night” at the Barrington Middle School on Feb 16, 2011 at 7pm, and Metrocast would be taping the event.

Town Attorney Whitelaw addressed HB77 that was passed on Feb 4, 2011, which repealed the “To See” option at Deliberative Session. Attorneys in the State agreed that articles can be negated, which would effectively cancel them. The voters at Deliberative Session are still able to raise or lower a dollar amount or put it to zero.

Charter Weeks thanked everyone for coming. He gave special thanks to town volunteers, road crew, Advisory Budget Committee, the Building Committee and a special thanks to Carol Reilly, who will be leaving her position as Town Administrator this June.

Article 2. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 17–Definitions to read ‘Article 18-Definitions’ for the purpose of inserting Article 17-Workforce Housing, adopted at the second session of Town Meeting on March 9, 2010. [Majority Vote Required]. By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article.

Article 2 Passed With A Majority Vote

Article 3. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 18-Appendix to read ‘Article 19-Appendix’ for the purpose of inserting Article 17-Workforce Housing, adopted at the second session of Town Meeting on March 9, 2010. [Majority Vote Required]. By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article.

Article 3 Passed With A Majority Vote

Article 4. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the town zoning ordinance as follows: To amend the current definition of Campground under Article 18 to read: ‘Campground: A campground or camping park means a parcel of land on which 2 or more campsites are occupied or are intended for temporary occupancy for recreational dwelling purposes only, and not for permanent year-round residency’. [Majority Vote Required]. By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article.

Article 4 Passed With A Majority Vote

Article 5. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the town zoning ordinance as follows: To amend the current definition of Day Care under Article 18 to read: ‘Child Day Care Agency means any person, corporation, partnership, voluntary association or other organization, either established for profit or otherwise, which regularly receives for child day care one or more children, unrelated to the operator or staff of the agency. The total number of hours in which a child may remain in child day care shall not exceed 13 hours per day, except in emergencies; and to further define the types of child day care agencies as Family Day Care Home, Family Group Day Care Home, Group Child Day Care Center; Day Care Nursery, Night Care Agency, Preschool Program, School Age Program and Dual Licensure’. [Majority Vote Required]. By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article.

Article 5 Passed With A Majority Vote

Article 6. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the town zoning ordinance as follows: To amend the current definition of Commercial Recreation Facility under Article 18 to read: ‘A privately owned and/or operated land use, provided for gain or profit, either indoors or outdoors,

where the main purpose is to provide the public with recreation. Examples of such facilities include skating rinks, water slides, gymnasiums, sports fields, miniature golf, driving ranges, swimming pools, race tracks and stadiums'. [Majority Vote Required]. By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article.

Article 6 Passed With A Majority Vote

Article 7. Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 19-Appendix; Daycare facilities to read, 'Child Day Care Agency'. [Majority Vote Required]. By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article.

Article 7 Passed With A Majority Vote

Article 8. Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 3.3.1 Regulations Pertaining to All Districts to read: '2) Recreational Vehicles—A recreational vehicle, as defined in Article 18 shall not be construed as a dwelling unit under the provisions of this Ordinance. Occupancy of a recreational vehicle by any individual, group, or household, for more than 180 days in any calendar year shall not be permitted in Barrington'. [Majority Vote Required]. By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article.

Article 8 Passed With A Majority Vote

Article 9. Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the town zoning ordinance as follows: To repeal Article 5.1.2 Merger of Certain Nonconforming Lots; which reads; if two [2] or more unimproved lots of record are contiguous and held in single ownership on or after the effective date of this Ordinance, and if one [1] or more of the lots have been rendered nonconforming, based on area or frontage, by passage of this Ordinance, the lots shall be deemed to be merged into one [1] undivided parcel of land. The New Hampshire Legislature passed an act effective September 18, 2010 which prohibits a city, town, and county or village district from merging lots or parcels except upon application of the owner. [Majority Vote Required]. By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article.

Article 9 Passed With A Majority Vote

Article 10. Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the town zoning ordinance as follows: To amend Article 15.2.2 Criteria for Granting Variances by inserting the following after the last sentence:

[A] For the purposes of this subparagraph, “unnecessary hardship” means that, owing to special conditions of the property that distinguish it from other properties in the area:

[i] No fair and substantial relationship exists between the general public purposes of the ordinance provision and the specific application of that provision to the property; and

[ii] The proposed use is a reasonable one.

[B] If the criteria in subparagraph [A] are not established, an unnecessary hardship will be deemed to exist if, and only if, owing to special conditions of the property that distinguish it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance and a variance is therefore necessary to enable a reasonable use of it.

The definition of “unnecessary hardship” set forth in subparagraph [5] shall apply whether the provision of the ordinance from which a variance is sought is a restriction on use, a dimensional or other limitation on a permitted use, or any other requirement of the ordinance. [Majority Vote Required]. By a vote of 6 in favor and 0 opposed, the Planning Board unanimously recommends this article.

Article 10 Passed With A Majority Vote

Article 11. Are you in favor of amending the town zoning ordinance by deleting Article 9, Wetlands Protection Overlay [WPO], and replacing it with a new Article 9, Wetlands Conservation District? By Petition. [Majority Vote Required]. By a vote of 5 opposed and 1 abstention, the Planning Board does not recommend this article.

Article 11 Failed To Pass

The Moderator explained that Articles 2 through 11 are zoning articles and cannot be amended. He stated that they will appear on the ballot as written.

Article 12. To see if the Town will vote to raise and appropriate the sum of Three Million, Seven Hundred and Forty Thousand Dollars [\$3,740,000.00] for the renovating and equipping of the Town Office

facility, and to further authorize the issuance of not more than Three Million Seven Hundred and Forty Thousand Dollars [\$3,740,000.00] of bonds and/or notes in accordance with the provisions of the Municipal Finance Act [NH RSA, Chapter 33], and to authorize the Selectmen to issue, negotiate, and regulate such bonds and/or notes and to determine the rates of interest thereon. [Three-fifths vote required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 4 to 1, a majority of the Advisory Budget Committee recommends this article.

*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

MOTION: D. FRASE SECOND: C. WEEKS

Selectman Keith Pratt spoke to the article. He recognized the Building Committee, Peter Royce, Brian Lenzi, Ray Desmarais, John Huckins, Peter Cook, Ted Buczek, Paul Sanders and Keith Pratt. This committee explored all possibilities and determined that renovation was the better option over building new. He gave a brief explanation of the Town Hall building issue, the 2010 flooding, the discovery of toxic molds, the relocation of the staff to the lower part of the building and some staff, who were particularly affected by the mold issue, were relocated to the Safety Building. Other issues include the ADA access and energy efficiency. The town was advised by Ray Desmarais, of Desmarais Environmental Inc, the Local Government Center, the Scott Lawson Group, Envirovantage and legal counsel to remediate the building or find an alternate location. HL Turner Group Inc. had a power point presentation that contained their recommendations on the handling of the mold & indoor air quality issues, energy improvements, code compliance and long-term maintenance and costs for the town of Barrington.

HL Turner stated that the moisture issues would be addressed and corrected, the ADA issues would be brought up to code, and energy improvements would reduce costs to the town by more than half.

Several people spoke for and against the renovations. Some of the concerns include hidden costs, proper maintenance of new state of the art systems, and final costs of the project, as the dollar amount does not include interest.

Fred Bussiere moved to amend the article to state to remove renovate and add new building. The Moderator explained that this could not be done as it changed the subject matter of the article.

Seeing no further discussion the Moderator declared that Article 12

would appear on the ballot as written.

Article 12 Failed To Pass

Article 13. “Shall the Town of Barrington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$5,896,004.00?” Should this article be defeated, the default budget shall be \$5,728,133.00 which is the same as last year, with certain adjustments required by previous action of the Town of Barrington or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. [Majority Vote Required]. By a vote 4 to 1 a majority of the Board of Selectmen recommend this article. By a vote of 4 to 1, a majority of the Advisory Budget Committee recommends this article.

NOTE: This operating budget warrant article does not include appropriations contained in any other warrant article.

MOTION: M. CLARK SECONDED: K. PRATT

Selectmen Frase and Weeks stated that some of the increase in the budget was due to health insurance, retirement and COLA. Keith Pratt stated the Road Budget was up \$208,000.00 of which \$175,000.00 was for road improvement and the remainder was for COLA. An amount was also included for a road consultant who would devise a plan of action for road improvements and related concerns.

Mike Clark addressed the increase in the administration line, which was for web design and the hiring of a part-time temporary administrative assistant to help cover the transition time when Carol Reilly leaves. Additionally, \$50,000 is for 25% of a 4 year Revaluation plan.

Ken Grant moved to amend the budget dollar amount to \$5,371,004.00. James Shaw seconded. Ken Grant also presented a petition for a secret ballot. George Bailey asked if all the petitioners were present. Yes.

The amendment was defeated. YES 25, NO 55.

Ken Grant motioned to restrict reconsideration. This motion passed.

Seeing no further discussion the Moderator declared that Article 13

would appear on the ballot as written.

Article 13 Failed To Pass

Article 14. To see if the town will vote to change the office of Town Treasurer from an elected position to an appointed position per RSA 41:26-e. Such appointment shall be made by the Board of Selectmen in writing and shall include the compensation to be paid. If approved, the current elected Treasurer will continue to serve until the March, 2012 annual town meeting, at which time the Treasurer shall be appointed. [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article.

MOTION: J. KESSLER SECOND: D. FRASE

Selectman Weeks spoke to the article. He stated that the town has been very fortunate to have had Dick O'Brien as Treasurer for so long. The Selectmen's concern is that a new treasurer would have at least the same experience as Dick O'Brien. A person running for treasurer does not have to have any specific qualifications.

Susan Price expressed a concern that going from elected to appointed could present a shift in loyalties. She also indicated that she would like to run for that office when Dick O'Brien's term ends.

Fred Bussiere stated that voters of the town are competent to discern a qualified treasurer.

George Bailey was concerned an appointed treasurer would lead to additional compensation and/or benefits.

The Moderator called for an end of discussion and stated that Article 14 would appear on the ballot as written.

Article 14 Failed To Pass

Article 15. To see if the town will vote to raise and appropriate the sum of \$50,000.00 to be added to the Town Buildings Preservation and Rehabilitation Capital Reserve Fund previously established. This amount to come from general taxation. [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 4 to 1, a majority of the Advisory Budget Committee recommends this article.

*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

MOTION: K. PRATT SECOND: C. WEEKS

Mike Clark spoke to the article explaining that capital reserve funds lessen the impact of big ticket items in the future.

Seeing no further discussion, the Moderator stated that Article 15 would appear on the ballot as written.

Article 15 Failed To Pass

Article 16. To see if the town will vote to raise and appropriate the sum of \$50,000.00 to be added to the Road Reclamation Capital Reserve Fund previously established. This amount to come from general taxation. [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 5 to 0, the Advisory Budget unanimously recommends this article.

*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

MOTION: D. FRASE SECOND: J. KESSLER

Selectman Weeks stated that Capital Reserve Funds are a fiscally responsible way to keep tax rates in a small curve rather than a spike in one year.

Deb McNally moved to increase the article to \$75,000.00.

Richard Deneka seconded.

The Moderator called for a vote. The amendment failed.

Seeing no further discussion, the Moderator declared that Article 16 would appear on the ballot as written.

Article 16 Failed To Pass

Article 17. To see if the town will vote to raise and appropriate the sum of \$60,000.00 to be added to the Highway Heavy Equipment Capital Reserve Fund previously established. This amount to come from general taxation. [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 4 to 1, a majority of the Advisory Budget Committee recommends this article.

*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

MOTION: M. CLARK SECOND: K. PRATT

Selectman Frase spoke to the article. He stated that to replace a highway vehicle could be as much as \$160,000.00. Putting money

aside reduces the large payments out of pocket.

Seeing no further discussion, the Moderator declared that Article 17 would appear on the ballot as written.

Article 17 Failed To Pass

Article 18. To see if the town will vote to raise and appropriate the sum of \$50,000.00 to be added to the Fire Truck Capital Reserve Fund previously established. This amount to come from general taxation. [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 5 to 0, the Advisory Budget Committee unanimously recommends this article.

*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

MOTION: D. FRASE SECOND: J. KESSLER

Fire Chief Walker urged voters to support this article to maintain the rotation of vehicles, which in today's market could cost as much as \$220,000.00.

Seeing no further discussion, the Moderator stated that Article 18 would appear on the ballot as written.

Article 18 Passed With A Majority Vote

Article 19. To see if the town will vote to raise and appropriate the sum of \$20,000.00 to be added to the Swain's Dam Capital Reserve Fund previously established. This amount to come from general taxation. [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 5 to 0, the Advisory Budget Committee unanimously recommends this article.

*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

MOTION: C. WEEKS SECOND: M. CLARK

Keith Pratt stated that the State has changed the classification of this dam to a higher hazard rating, which requires the town to complete a hydrologic and hydrology study.

Seeing no further discussion, the Moderator stated that Article 19 would appear on the ballot as written.

Article 19 Passed With A Majority Vote

Article 20. To see if the town will vote to raise and appropriate the sum of \$3,000.00 to be added to the Library Technology Fund previously established. This amount to come from general taxation. [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 4 to 1, a majority of the Advisory Budget Committee recommends this article.

*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

MOTION: K. PRATT SECOND: D. FRASE

Susan Gaudiello, chair of the Library Trustees, thanked the voters for passing this article last year. The money was used to replace the circulation system.

Steve Fontaine stated that last year, this article was amended from \$5,000.00 to \$15,000.00, a 300% increase. He moved to amend the article to \$1.00. Seconded by Bob Ott.

Susan Gaudiello clarified that the cost of the circulation system was \$15,000.00, and that a contingency amount of \$5,000.00 was still needed to maintain any equipment failures.

The Moderator called for a vote. The amendment failed.

Seeing no further discussion, the Moderator stated that Article 20 would appear on the ballot as written.

Article 20 Passed With A Majority Vote

Article 21. To see if the town will vote to raise and appropriate the sum of \$30,000.00 to purchase and equip a Cardiac Monitor. This will replace our current monitor which is no longer being manufactured or maintained by the vendor. This amount to come from general taxation. [Majority Vote Required]. By a vote of 5 to 0, the Board of Selectmen unanimously recommends this article. By a vote of 5 to 0, the Advisory Budget Committee unanimously recommends this article.

*Note: This appropriation is in addition to Warrant Article #13 the operating budget article.

MOTION: D. FRASE SECOND: C. WEEKS

Chief Walker spoke to the article, explaining that the monitor in the ambulance was purchased used 10-12 years ago. He was notified by the vendor that this model is no longer being made and that parts are

not being manufactured. The monitor, which is used in 70% of the calls, and is essential in any cardiac emergency, should be replaced before it fails.

After a brief discussion, the Moderator stated that Article 21 would appear on the ballot as written.

Article 21 Passed With A Majority Vote

Article 22. To see if the town will vote to raise and appropriate the sum of \$5,000.00 to be added to the Cemetery Capital Reserve Fund previously established. This amount to come from general taxation. [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 5 to 0, the Advisory Budget Committee unanimously recommends this article.

*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

MOTION: J. KESSLER SECOND: M. CLARK

Seeing no discussion, the Moderator declared that Article 22 would appear on the ballot as written.

Article 22 Failed To Pass

Article 23. To see if the town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of providing ambulance services. Revenues received from ambulance fees up to \$25,000.00 will be deposited into the fund with the balance to be part of the town's general fund. The money in the fund shall be allowed to accumulate from year to year and shall not be considered part of the town's general fund unreserved fund balance. The Town Treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the Board of Selectmen and no further approval is required by the legislative body to expend. Such funds may be expended for replacement and maintenance of ambulance equipment and vehicles for the Ambulance Department's Emergency Medical Services. [Majority Vote Required]. By vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 5 to 0, the Advisory Budget Committee unanimously recommends this article.

*Note: This appropriation is in addition to Warrant Article #13, the operating budget article.

MOTION: D. FRASE SECOND: K. PRATT

Chief Walker spoke to the article, explaining that fees brought in from insurance companies were around \$125,000.00 per year. The article asked that \$25,000.00 be placed in a revolving account with the remainder going into the general fund.

Carol Reilly explained that any remaining funds would go towards reducing taxes.

George Bailey moved to amend the article to change \$25,000.00 to 25%. The attorney advised against this per DRA, as they do not like percentages.

Seeing no further discussion, the Moderator stated that Article 23 would appear on the ballot as written.

Article 23 Passed With A Majority Vote

Article 24. To see if the Town will vote to raise and appropriate the sum of \$50,000.00 to be used for constructing a driveway cut and access road into the Town's Clark Goodwill site for the purpose of being able to mine materials estimated to be worth \$xxx and to provide access to the American Legion Property deeded by the town. By Petition. [Majority Vote Required]. By a vote of 5 to 0 the Board of Selectmen unanimously recommends this article. By a vote of 4 to 1, a majority of the Advisory Budget Committee recommends this article.

*Note: This appropriation is in addition to Warrant Article #13, the

MOTION: C. WEEKS SECOND: D. FRASE

Selectman Weeks spoke to the article. This article was by petition from the American Legion. Charter Weeks stated that this property was a gift to the American Legion. Richard Deneka corrected him in that the Legion purchased the property. Charter Weeks also explained that mining of the gravel could save the town a considerable amount of money. It was stated that Brian and Steve Lenzi advised that this would be a great investment for the town. Brian Lenzi stated that we would not be competing with other gravel companies, but rather, making product for our own use.

Seeing no further discussion, the Moderator stated that Article 24 would appear on the ballot as written.

Article 24 Failed To Pass

Article 25. "Shall we rescind the provisions of RSA 40:13 [known as SB 2], as adopted by the Town of Barrington on March 1997, so

that the official ballot will no longer be used for voting on all questions, but only for the election of officers and certain other questions for which the official ballot is required by state law?" By Petition. [Three-fifths vote required].

MOTION: C. WEEKS SECOND: M. CLARK

Charter Weeks spoke to the article. He expressed the need for people to be well informed and to vote with the information fresh in their mind. The Town Meeting was a process used in New Hampshire for years.

Steve Conklin stated that in the past only one person, Frank Fellows, had shown up for the Advisory Budget Committee meeting, as the budgets were developed.

The Moderator clarified the differences between SB 2 and Town Meeting.

Several people expressed concern that at a Town Meeting issues would be decided by a small number of people as opposed to the larger number of voters that would turn out at the polls.

Helene Traill was concerned that military, homebound or disabled people would be disenfranchised as they would not be able to attend the town meeting.

There was discussion about amending the article but it was explained by the town attorney and the Moderator that the SB 2 language is prescribed by law and can not be amended.

Discussion continued for and against until the Moderator declared that Article 25 would appear on the ballot as written.

Article 25 Failed To Pass

Article 26. To transact any other business that may legally come before said meeting of the honorable Town Government. [Majority Vote Required].

John Wallace referred back to Article 11, clarifying that it was a petition article. He explained that the town's current ordinances would give greater protection than this petition.

John Huckins stated that the petition was well intended but what is in effect now is stricter.

John Huckins and Ken Grant asked why the selectmen's recommendations were not added to Article 25. There was no response.

The Moderator adjourned the meeting at 2:17 PM.

To the Members of the Board of Selectmen
Town of Barrington
PO Box 660
Barrington, NH 03825

We have audited the financial statements of the governmental activities, the major general fund, and the aggregate remaining fund information of the Town of Barrington for the year ended December 31, 2010. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated November 16, 2011. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Town of Barrington are described in Note I to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2010. We noted no transactions entered into by the governmental unit during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the Town of Barrington's financial statements was management's estimate of the useful lives of the capital assets which is based on the historical lives of similar assets. We evaluated the key factors and assumptions used to estimate the useful lives in determining that it is reasonable in relation to the financial statements taken as a whole.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. Material misstatements that were corrected related to the proper accounting for deferred tax revenues in accordance with the "sixty day rule", and corrections to useful lives of capital assets resulting in changes to accumulated depreciation totals.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We will be requesting certain representations from management that will be included in the management representation letter that will be provided at the conclusion of the audit.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the governmental unit's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, with the exception of the Town working with Mason & Rich to prepare the financial statements, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the governmental unit's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Board of Selectmen and management of the Town of Barrington and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

2011 REPORT OF THE BARRINGTON TAX COLLECTOR

2011 ended with major changes made within the Tax Office, including changes to staffing; and this was my first year in office as your elected Tax Collector.

In August, the Tax Office along with several other town departments, was relocated to our current space at 333 Calef Highway. This move was a challenge and I want to offer kudos to those who volunteered their time and services to help us make this difficult transition.

I have been operating the Tax Office for the last 12 months as Tax Collector. I have lived in Barrington for 16 years and have worked for the Town of Barrington for the last 8 years; serving 6.5 of those years as Deputy Tax Collector. During that time I completed a 3 year certification program with the NH Tax Collector's Association and became certified to collect taxes in the State of NH. In 2012, I will run for the 3-year term as Barrington's Tax Collector.

Our Tax Office is open to the public on Monday, Tuesday and Thursday from 9am until 12pm and on Wednesday we are open from 2pm until 4pm. Town Hall is closed on Fridays. We changed our hours to ensure that all monies received were deposited within the time frame set by state statute RSA 41:29, VI.

For taxpayers who cannot come during our public hours, there is a locked box that is designated for tax payments only. This box is located just inside the lobby area of the Town Hall. Your payment will be considered received on the next business day. Another option is to mail your payment to us. Your payment will be considered received according to the postmark on the envelope. Be sure to use the correct mailing address:

Tax Collector's Office
PO Box 660
Barrington, NH 03825-0660

If you have moved, obtained or cancelled a post office box, please remember to notify our office of your new mailing address.

I would like to take this opportunity to welcome aboard our new Deputy Tax Collector, Gail McKuhen. Gail joined our team on May 2, 2011. She is feverishly training in an extremely fast-paced environment amid constant changes and challenges.

2011 was also a very busy year for our office. From March thru December, we assisted approximately 2,216 taxpayers at our counter

and answered 1,970 phone calls. The Tax Office collected \$16,826,474.74 of the 2011 property tax. We collected 91% of the tax warrant(s) committed to us by the Board of Selectmen.

To ask questions related to property assessments, tax exemptions and/or credits or to obtain a copy of your assessing card, please call the Selectmen's Office at 603-664-9007.

Metrocast subscribers, Barrington now has a government channel! To stay abreast of town happenings, events, meetings dates & times, etc, please tune in to channel 26.

On behalf of myself and my deputy, I extend our sincere thanks to all of our residents for your support and kind words of encouragement throughout this challenging year. We continue striving to provide you with the best possible service now and into the future.

I also want to extend my deep gratitude to our new Town Administrator, John Scruton, for providing help and support whenever it's needed.

Respectfully Submitted

PROPERTY TAX EXEMPTIONS AND CREDITS

The Town of Barrington provides and administers property tax exemptions and credits in accordance with our state statutes. All application forms are available in the Selectmen's Office. The amount of each exemption or credit, along with any applicable income and asset guidelines are voted on at Town Meeting. To qualify for this tax relief, the property must be owned by the applicant or their spouse and must be the primary residence of the applicant. Exceptions to this requirement are the Solar Energy System exemption and the Surviving Spouse credit. There are no residency requirements associated with those exemptions.

Veteran's Credit (RSA 72:28) **\$450/year**
Available to any qualified resident who has served not less than 90 days in the armed forces of the United States in any qualifying war or armed conflict as listed in RSA 72:28, and was honorably discharged or an officer honorably separated from service or the spouse or surviving spouse of such a resident and who has been a New Hampshire resident for at least one year.

Applicants must provide a DD214 and complete a form PA-29.

Disabled Veteran's Credit (RSA 73:37-b) **\$1,400/year**
Available to any qualified resident who was honorably discharged or an officer honorably separated from the military service of the United States and who has total and permanent service-connected disability or is a double amputee or paraplegic due to a service-connected injury or the spouse of such a person and who has been a New Hampshire resident for at least one year.

Applicants must submit a certification letter from the US Department of Veteran's Affairs stating that the applicant is totally and permanently disabled due to a service-connected reason and complete a form PA-29.

Surviving Spouse (RSA 72:29-a) **\$2000/year**
Available to the surviving spouse of any qualified resident who died while on active duty in the armed forces of the United States or any of the armed forces of any governments associated with the United States in the wars, conflicts, armed conflicts or combat zones as listed in RSA 72:28. Although this credit is applicable to both residential and non-residential property, it can only be applied to property that is in the same town in which the surviving spouse is a resident.

Applicants must provide a DD214, a letter from the US Department of

Veteran's Affairs stating that the death was service-connected and complete a form PA-29.

Exemption For The Blind (RSA 72:37) \$5000/year

Available to qualified residents who are legally blind as determined by the Blind Services Program, Bureau of Vocational Rehabilitation, Department of Education.

Applicant must provide a qualifying letter from the Blind Services Program, Bureau of Vocational Rehabilitation, Department of Education and complete a form PA-29.

Exemption For The Disabled (RSA 72:37-b) \$50,000/year

Available to qualified residents who are eligible under Title II or Title XVI of the Federal Social Security Act for benefits to the disabled, have been a NH resident for the last five years and who meet the following income and asset limits:

Income: Single \$30,000 Couple \$50,000

Assets: \$75,000 (excluding primary residence)

Applicants must submit a letter from Social Security stating that they are eligible for benefits under Title II or Title XVI of the Social Security Act, complete an application and a form PA-29 and submit for examination, documentation proving all income and assets of the applicant and if applicable, their spouse.

Solar Energy Systems Exemption (RSA 72:61) \$5000/year

Available to persons owning real property that is equipped with a solar energy system as defined in RSA 72:61 and who have had their building inspected by the Barrington Building Inspector.

Applicants must complete a form PA-29 and the Barrington and the Building Inspector must notify the Selectmen's Office in writing that the building has been inspected and complies with the requirements of RSA 72:61.

Elderly Exemption (RSA 72:39-a) \$85,000 to \$161,500/year

Available to qualified residents that are at least 65 years of age, have been a NH resident for the last three years and who meet the following income and asset limits:

Income: Single \$30,000 Couple \$50,000

Assets: \$75,000 (excluding primary residence)

Exemption amounts vary with the age of the applicant.

Applicants must provide proof of age, complete an application, and a form PA-29, and submit for examination, documentation proving all income and assets of the applicant and if applicable, their spouse.

2011 REPORT OF BARRINGTON TOWN CLERK

Each year is marked by change. 2011 was an exceptional year for adaptation in the Town Clerk's Office.

The office was flooded with yellow Record Change Request forms for Motor Vehicle Registrations as a result of the E911 address change that was implemented in September of 2010. If you have not already changed your address for your vehicle registrations, PLEASE fill out the form which is available at the Town Clerk's Office. This will ensure that you continue to receive your renewal letter.

A major milestone was Sheila Marquette's retirement in April. She had served our community as the Town Clerk for nineteen years. We at the Town Clerk's Office extend our thanks to Sheila for her years of dedication and service to the Town of Barrington and we wish her the best in her retirement. I want to personally thank Sheila for providing a nurturing, enjoyable and well-tuned working environment. It was not easy to step into her shoes but having worked in this office for 11+ years, I was well prepared. After serving seven years as office assistant, Camille Browne is well suited for her promotion to Deputy Town Clerk. We also welcome Debra Donn-Griffin, our new Office Assistant. Debra brings several years of customer service to our team and you may recognize her from our elections where she has worked for the last 12 years.

Barrington is truly a dog-loving community with over 1800 dog registrations. Unfortunately, we had over 250 dogs that went to Civil Forfeiture due to being unlicensed. Please be sure to license your dogs by April 30th to avoid late charges. We send 2 notifications before we are required to refer the issue to the Barrington Police.

Our town was one of 6 in the State of New Hampshire to hold a State Special Primary Election in June and then the State Special General Election in August for State Representative.

In July, the Department of Motor Vehicles eliminated some of their surcharges that had been implemented in 2009. The most significant of these decreases were for the following fees:

Vehicles 1—5,000 lbs	-	\$30.00
Vehicles 5,001—10,000 lbs	-	\$45.00
Vehicles 10,000—26,000 lbs	-	\$55.00

Our office had the pleasure of moving in August and are enjoying our new location. We have added an additional customer service window

to help with the flow of business during peak times. I plan to investigate online payment processing for renewal and one-check payments in the coming year.

Although it has been a challenging year with many transitions, I continue to look forward to serving the town of Barrington as the Town Clerk in the coming year.

PUBLIC NOTICE

RSA 674:39-aa

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

In 2011, the NH Legislature created a process (see HB #316), by which an owner could petition the municipality to undo this involuntary merger and restore the lots to their separate and distinct condition.

If your property includes two or more lots that were merged for zoning, assessing or taxation purposes and the merger occurred:

- During your ownership without your consent **or**
- Prior to your ownership, if no previous owner consented to the merger

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- Deadline for such requests is December 31, 2016

Once restored:

- Your properties will once again become separate lots; however they must still conform to all applicable land use ordinances. Restoration does not cure non-conformity.

Any owner who disagrees with the Selectmen's decision regarding their request to undo an involuntary merger may appeal the decision in accordance with the provisions of RSA 676

Note: RSA 674:39-aa defines "Owner" as "a person or entity that holds legal title to the lots in question, even if such person or entity did not hold legal title at the time of the involuntary merger."

**2012 WARRANT
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Barrington, in the County of Strafford, State of New Hampshire, qualified to vote in Town affairs:
You are hereby notified of the annual meeting.

The first session for the transaction of all business other than voting by official ballot shall be held Saturday, the 4th day of February 2012 at 9:00 A.M. at the new Middle School on Route 9 in Barrington. If the session cannot be held that date because of weather or other unexpected emergencies the session will be held the 6th day of February 2012 at 6:30 PM at the Early Childhood Learning Center, 77 Ramsdell Lane. The first session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

- a) Warrant articles whose wording is prescribed by law shall not be amended.
- b) Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot, and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 13, 2012 at the new Middle School on Route 9 in Barrington. The polls shall be open from 8:00 A.M. to 7:00 P.M.

“Fluvial Erosion Hazard: Fluvial erosion hazard (FEH) refers to major stream-bed and stream-bank erosion associated with the often catastrophic physical adjustment of stream channel dimension and location that can occur during flooding”? **The Planning Board recommends this article. [Majority Vote Required].**

Article 12. Are you in favor of repealing the current Building Code, adopted in 1972 and amended numerous times, and adopting a new Building Code as proposed by the Building Inspector/Code Enforcement Officer to provide a building code that is up to date and consistent with the process, standards, and requirements of the International Building Code referenced in NH RSA 155-A, as adopted and amended from time to time by the State Building Code Review Board.? **The Planning Board recommends this article. [Majority Vote Required.]**

Article 13. To see if the town will vote to change the office of Town Treasurer from an elected position to an appointed position per RSA 41:26-e. Such appointment shall be made by the Board of Selectmen in writing and shall include the compensation to be paid. If approved, the current elected Treasurer will continue to serve until the March, 2013 annual town meeting, at which time the Treasurer shall be appointed. **[Majority Vote Required]. By unanimous 5-0 vote the Board of Selectmen recommends this article.**

Article 14. “Shall the Town of Barrington raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$5,932,822.00? Should this article be defeated, the default budget shall be \$5,822,694.00 which is the same as last year, with certain adjustments required by previous action of the Town of Barrington or by law; or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.” **[Majority Vote Required]. By a unanimous 5-0 vote the Board of Selectmen recommends this article. By a unanimous 5-0 vote the Advisory Budget Committee recommends this article. NOTE: This operating budget warrant article does not include appropriations contained in any other warrant article.**

Article 15. To see if the town will raise and appropriate the sum of \$172,000 for road paving and reconstruction and to authorize the use of that amount from the unreserved fund balance. This money funds

the start of a multi-year plan recommended by the town's consulting engineer to maintain and improve road conditions after years of deferred maintenance. The Board of Selectmen had delayed spending this amount of road paving funds in the 2011 budget because of health and safety issues with the old Town Hall. Unexpended funds were returned to fund balance at the end of 2011. This appropriation will not impact the tax rate in 2012. **[Majority Vote Required]. By a unanimous 5-0 vote the Board of Selectmen recommends this article. Article 19. To see if the town will vote to raise and appropriate the sum of \$5,000.00 to be added to the Cemetery Capital Reserve Fund previously established and to authorize the use of that amount from

the unreserved fund balance. This appropriation will not impact the tax rate in 2012. **[Majority Vote Required]. By a unanimous 5-0 vote the Board of Selectmen recommends this article. By a unanimous 5-0 vote the Advisory Budget Committee recommends this article. *Note: This appropriation is in addition to Warrant Article #14, the operating budget article.**

Article 20. To see if the town will vote to establish a Fire Rescue Equipment Capital Reserve fund pursuant to RSA 35, for the purpose of purchasing and maintaining Fire Rescue Equipment, and further to raise and appropriate the sum of \$10,000 to this fund and further to appoint the Board of Selectmen as agents to expend and further to authorize the use of that amount from the unreserved fund balance. Such funds may be expended for replacement and maintenance of Fire Rescue equipment. This appropriation will not impact the tax rate in 2012. **[Majority Vote Required]. By a unanimous 5-0 vote the Board of Selectmen recommends this article. By a unanimous 5-0 vote the Advisory Budget Committee recommends this article. *Note: This appropriation is in addition to Warrant Article #14, the operating budget article.**

Article 21. To see if the town will vote to raise and appropriate the sum of \$5,000.00 to be added to the Town Building Preservation Capital Reserve previously established. This appropriation is to come from general taxation. **[Majority Vote Required]. By a unanimous 5-0 vote the Board of Selectmen recommends this article. By a 3-2 vote the Advisory Budget Committee recommends this article. *Note: This appropriation is in addition to Warrant Article #14, the operating budget article.**

Article 22. To see if the town will vote to raise and appropriate the sum of \$60,000.00 to be added to the Highway Heavy Equipment Capital Reserve previously established. This appropriation is to come from general taxation. **[Majority Vote Required]. By a 4-1 vote the Board of Selectmen recommends this article. By a 3-2 vote the Advisory Budget Committee recommends this article. *Note: This appropriation is in addition to Warrant Article #14, the operating budget article.**

Article 23. To see if the town will vote to authorize under the provision of the New Hampshire Revised Annotated Statutes 261:153 the collection of a fee of \$5 per vehicle registration, with 100% going for a municipal road capital improvement fund and to name the Board of Selectmen the agent to expend for such transportation improvements as allowed under RSA 261:153. This appropriation

will not raise the property tax rate. **(By Petition) By unanimous 5-0 vote, the Board of Selectmen recommends this article. By a 4-1 vote, the Advisory Budget Committee recommends this article.**

Article 24. In accordance with RSA 72:39-a&b shall the voters modify the elderly exemptions from the property tax in the town of Barrington, based on the assessment for qualified taxpayers, to be as follows: for a person 65 years of age and up to the age of 74 \$85,000; for a person 75 years of age up to 79 years \$127,500; for a person 80 years of age and up \$161,500. To qualify the person must have been a resident of New Hampshire for at least three (3) years, preceding April 1 of the year in which the exemption is claimed, own real estate individually or jointly, or if such person's spouse owns the real estate, they must have been married for at least five (5) years. In addition, the taxpayer must have a net income of not more than \$30,000; or if married, a combined net income of not more than \$50,000, and own net assets not in excess of \$125,000, excluding the value of the person's residence. **(By Petition) The Board of Selectmen recommends this article by a 3-2 vote. The Advisory Budget Committee recommends this article by a unanimous 5-0 vote.**

Article 25. To transact any other business that may legally come before said meeting of the honorable Town Government. **[Majority Vote Required].**

VISION, MISSION AND VALUES DEPARTMENTAL GOALS & OBJECTIVES

What follows is a summary of the individual departments as they have worked to reflect these concepts in their individual service to the community. The Town Administrator has done some editing to make these more standard and reduce the size of the document to a manageable length, but has attempted to capture the basic ideas developed by each department. The order of the departments follows that of the organization used for finances and budget.

Executive

The goal of executive administration is to assist the Board of Selectmen in managing Town affairs; executing the policies, procedures and directives put forth by the Board of Selectmen; preparing the annual budget for board review and the administration of the budget once it is adopted; developing administrative procedures and ensuring adherence to these procedures; advising the Board on the current status of activities of the Town and changing legal environment; maintaining informative positive communication with employees, officials and the public; hiring quality town staff with Board of Selectmen approval; and effectively motivating, evaluating and directing the Town's staff to have good morale and effective performance of their responsibilities.

Objectives:

1. To upgrade the Town's website;
2. To activate channel 26 including rebroadcast of meetings and a bulletin board including bringing forward the franchise agreement for adoption by the Board;
3. To review and make recommendations for changes to the Town's Personnel Plan;
4. To work with the Joint Loss Management Committee to have a revision to the Safety Plan and to comply with rules on meeting frequency; and
5. To analyze and improve document storage and retrieval systems.

Town Clerk and Elections

The goal of the Town Clerk's Office is to update residents on upcoming events managed by the office (ex. elections, voter registration deadlines, dog licensing due, etc.); enhance efficiency of operations to better serve the public; and improve effectiveness of service through staff development activities.

Objectives:

1. To inform the public via updates to the Town Clerk's portion of

- the webpage on at least a quarterly basis, contributions to the Town Common newsletter; and emails to the general public.
2. To institute an e-reg program and investigate accepting credit cards payments within the next year.
 3. Participate in yearly training in Motor Vehicle procedures, Vital Records, Dog Licensing, and Elections, and attend regional conferences and online classes as appropriate.
 4. Support the certification of the Deputy Town Clerk through the Town Clerk's Association.

Financial

The goal of the financial administration is to provide financial services that accurately reflect the financial situation of the town; to pay bills, including payroll, in a timely fashion to avoid penalties and interest; to manage the benefit package and insurances for employees; and to monitor compliance with the governmental environment.

Objectives:

1. To have a CPA audit of the financial statements;
2. To enable the finance director to be more involved in the preparation of the financial statements;
3. To examine cost/time saving opportunities and to implement those with the best return on investment; and
4. To complete GASB continuing education for both Finance Assistant and Finance Director.

Tax Department

The goal of the Tax Department is to collect and account for the tax revenues of the town in a timely, efficient, accurate and responsible manner, and to provide the public with courteous, accessible, and accurate information and service.

Objectives:

1. Assure well-trained, knowledgeable staff by sending the Deputy Tax Collector to first year of certification; re-certification of the Tax Collector; and participating in appropriate annual conferences, workshops and online classes.
2. Utilize technology to the fullest extent possible to efficiently serve our customers and accurately account for revenue collected.

Land Use and Planning

The goal of the Land Use and Planning Department is to assure development of the Town of Barrington in accordance with laws, regulations and policies adopted by the State, town residents and the various land use and planning boards of the Town, and to engage in

activities that support and promote the vision described in the Master Plan for the town.

Objectives:

1. Update the GIS maps to provide user-friendly current, accurate information for use by the public, applicants, and staff.
2. Tailor and improve forms and applications to be specific to the applicant's request for case submittal and make all forms and documents available 24/7 via the Town of Barrington Land Use web site.
3. Update and amend the Town of Barrington Subdivision and Site Plan Regulations, and Zoning Ordinance for consistency in language and spirit of the Master Plan and interpretation of municipal code and regulations.
4. Closely examine the fee structure as a cost recovery for services provided and revenue enhancement to place Barrington in a competitive position with surrounding municipalities.
5. Update the Capital Improvement Plan annually.
6. Improve efficiency by moving toward digital case submittals.
7. Ask the Board of Selectmen to appoint Zoning Board of Adjustment alternate members to the ZBA under RSA 673:6,IIa.
8. Foster a relationship between the Land Use Boards and the Barrington Chamber of Commerce to gain a better understanding of economic development opportunities and encourage job growth.
9. Improve landscape design, pedestrian walkability, and bicycle amenities as a part of development efforts in the Town Center.
10. Assemble contiguous conservation land to promote the contextual preservation of natural area open space in an orderly assemblage of parcels to foster land conservancy that endorses a financially sound investment for the future of Barrington.
11. Improve the efficiency of the Planning Board with a goal of reducing the number of meetings of the Planning Board.

A complete copy of the Land Use goals and objectives can be found in the Planning Department.

Government Buildings

The goal of the Government Buildings Department is to provide safe, clean, and well-maintained facilities and products such as vehicle fuel for town operations to successfully accomplish their goals and missions.

Objectives:

1. To continue to examine options for the location of Town Offices.
2. To provide a safe alternative location for town offices until such

Police

The goal of the Barrington Police Department is to enforce the laws of society, maintain order, protect life and property, deliver quality service to the community and to assist all members of the public in a manner consistent with the rights and dignity of all persons as provided for by law and under the Constitution of the United States and the State of New Hampshire.

Objectives:

1. To maintain the present level of police services to the community.
2. Increase the number of assigned hours to detectives to follow-up on cases in a timelier manner.
3. Insure a minimal staffing level of at least 2 Officers at all times for the safety of the public and the officers.
4. Promote the public involvement in crime prevention through programs like Neighborhood Watch.
5. Seek Community input regarding the emphasis desired for future growth and expanded services.
6. Continue involvement in Community outreach and education, i.e., DARE, personal protection at Major Waldron's, and the Barrington Food Pantry.
7. Continue to improve communicating with the Community utilizing the Town Common, the new Website, cable channel, social media sites, and traditional news sources.
8. Continue to review and update the Police Policy Manual to meet the criteria accepted by CALEA.

Fire

The goal of Barrington Fire & Rescue is to continue to provide top quality Emergency Fire and Rescue Services to our residents and guests during their times of need.

Objectives:

1. Provide good training opportunity to our Firefighters and Emergency Medical Technicians.
2. Provide the equipment needed by fire and rescue workers to do their assigned tasks as safely as possible.
3. Provide proper protective gear to allow our responders to operate in the safest manner possible.
4. Adequately maintain the vehicles and equipment that the residents provide for us to do our job.
5. Provide a stable budget for day to day operations and adequately plan for large purchases over time.

Building Inspection and Codes

The goal of the Building Inspection and Code Enforcement Department is to promote a safe and healthy built environment and to aid in the protection of natural resources through education and enforcement of all applicable local, state and federal regulations.

Objectives:

1. To build and maintain effective relationships with the community through fair, honest and courteous interactions.
2. To review and modify procedures, policies and systems and incorporate available technology when possible so as to build efficiencies into the department's day to day operations.
3. To work cooperatively and proactively in the early stages of development to prevent building and site related issues.
4. To make the department's primary objective more about education, assistance and prevention and less about enforcement.

Highway

The goal of the Highway Department is to provide safe travel for the residents of the Town of Barrington within the allotted budget and in a manner safe for employees, while at the same time dealing with all of the different elements that "Mother Nature" throws at us. A second goal is to educate the public on the importance of proactive maintenance of the transportation infrastructure and that the Highway Department's role is a valuable part of community and public safety.

Objectives:

1. To build a new shed to shelter equipment, thereby prolonging the life of expensive equipment.
2. To develop and adopt a road maintenance schedule based upon the Dubois and King Report and stick to it.
3. To develop and remain on a reasonable equipment replacement schedule.
4. To be able to respond in a timely manner to issues that arise.
5. To provide winter and summer maintenance consistent with the budget and the needs of the community.
6. To continue training our employees to achieve higher levels of the Road Scholars Program.

Transfer Station

The goal of the Transfer Station staff is to provide the residents of the Town of Barrington a safe, simple, clean facility to dispose of their trash, recyclables and materials in the proper manner while providing a safe working environment. A second goal is to provide opportunities for and encourage greater recycling.

Objectives:

1. To make the operation run as smoothly as possible.
2. To continue to train our staff to maintain required state certifications.
3. To encourage more people to recycle.
4. To educate the public of the benefits and importance of recycling.
5. To keep up with the ever changing rules of recycling.
6. To continue to get as much revenue as possible.
7. To develop and remain on reasonable equipment replacement schedule.

General Assistance

The goal of the General Assistance Department is to offer timely assistance to those with critical basic needs in the areas of shelter, food and utilities. This will be done through basic counseling, guidance toward potential assistance programs and objective eligibility determination. Since the Town is the safety net of last resort, the Town may provide certain financial assistance on a limited basis when other sources are deemed inadequate for meeting basic needs.

Objectives:

1. To listen attentively and objectively to residents' explanations of their needs for assistance.
2. To encourage financial independence from public assistance.
3. To help people discover resources and financial practices that they may have overlooked.
4. To assist in meeting the basic survival needs when a person truly cannot manage independently.
5. To treat everyone with dignity and respect.

Recreation

The goal of the Barrington Parks & Recreation Department is to provide positive recreational opportunities for the community that are affordable, motivating and comprehensive and that enhance the quality of life in Barrington through recreation, enrichment, fitness and athletics. The policy of the Parks and Recreation Department is to provide services to all citizens.

Objectives:

1. Restructure staffing of the Department, including revising the Assistant Director Position, adding a part-time program director, and restructuring the administrative assistant position.
2. Develop a public relations, marketing, and communications strategy.

3. Properly use Town properties/facilities.
4. Repair & update current facilities.
5. Identify new facilities that will be required to address future needs.

A complete copy of goals and objectives can be found at the Recreation Department.

Library

The goal of the Barrington Public Library is to provide the most current materials in demand by our patrons in a quantity that allows for short wait lists; and to offer services and programs to meet the educational, informational, and recreation needs of community members of all ages at a site that is accessible, offers an environment that is conducive to learning and recreational reading, and is adequate in size to meet the growing demands for library services and community meeting space.

Objectives:

1. Serve as the Preschoolers Door to Learning & a Resource for Families,
2. Provide Quick & Easy Access to Information on Current Topics, Titles, & Trained Staff to Answer Reference Questions,
3. Serve as a “Community Commons” and Build Strong Community Partnerships,
4. Serve as the Center for Lifelong Learning in the Community,
5. Continue to Assess and Plan for Future Library Needs, including development of a new library facility by the Library Board of Trustees and the Library Building Team.

A more detailed description of Library objectives and action plans has been approved by the Library Trustees and is available for public review at the Library’s website.

**2011 REPORT OF THE
BARRINGTON TOWN ADMINSTRATOR**

This has been a transition year for the position of Town Administrator. Carol Reilly, who served this community for over 10 years as Town Administrator resigned effective June 1. As Chairman of the Board of Selectmen Keith Pratt said on behalf of the entire Board, “She will be missed and we wish her the best of luck.”

The Barrington Board of Selectmen voted to appoint me to be the next Town Administrator on May 17, 2011. I come to Barrington with over twenty years of experience leading communities in New Hampshire. Most recently I was the City Manager of Rochester NH. Before that I served in Plaistow, Nashua, Goffstown and Farmington, New Hampshire. I earned my Masters in Public Administration from UNH, completed the Leadership New Hampshire program in 2001 and completed the Certified Public Manager Program through the state of New Hampshire. I am a Certified Public Manager recognized by the American Association of Certified Public Managers as well as a Credentialed Manager through the International City/County Management Association (ICMA). I am currently past-president of the New Hampshire Certified Public Managers Association and also have served in a variety of other professional positions, including as president of the New Hampshire Municipal Management Association.

The report by the Board of Selectmen located elsewhere in this Town Report details some of the many good things that have been accomplished this past year. In addition to reading this Town Report

for information on last year, I encourage you to look both at the completely revamped website at www.barrington.nh.gov and Metrocast channel 26 to find useful information and to learn what is happening in your government throughout the year. One new feature on this website is the ability to sign up for emails such as agendas, minutes, events in town, etc.

I am excited at this opportunity to serve in such an exceptional community. Barrington has a great group of hard-working and dedicated employees, many citizens who are involved in the community and a fine Board of Selectmen. I wish to thank everyone for contributing to a successful past year as we look forward to a productive new year together.

2011 REPORT OF THE BARRINGTON POLICE DEPARTMENT

The Barrington Police Department has personnel on duty 24 hours a day; however, we do not staff the station continuously. When assistance is needed, the following phone numbers should be used:

911 Emergency Calls

664-2700 Strafford Dispatch – for all non-emergencies

664-7679 Office, Tuesday thru Thursday, 7am-5pm

We understand that every incident is important to the reporting caller and we attempt to deal with each issue as soon as possible. Frequently, our response is delayed due to staffing issues and the need to prioritize our response to calls.

There has been a dramatic increase in burglaries throughout the region, including Barrington. In 2010 there were 15 burglaries and 46 burglaries in 2011. The crimes vary from homes being targeted for small items and cash to vacant homes being stripped of all metal including piping, wiring and appliances. The best way to protect your property is to be extra vigilant of suspicious activity around your home and neighborhood and report any suspicious people or activity immediately to the police. Dial 911 or 664-2700 to report the activity.

The Barrington Police Department currently has two officers who are NHTSA Certified Child Passenger Safety Technicians. If you need help installing a child passenger seat or have questions as to how to properly use it call the Police Department at 664-7679 and one of the officers will return your call.

Animal Control issues are handled through the Police Department. The process to file an animal complaint is as follows:

- . Call the Police Department at 664-7679 or 664-2700. If the report is aggressive behavior a Police Officer will be dispatched to the scene for immediate assistance and follow-up intervention will be referred to the Animal Control Officer. If aggressive behavior is not the issue, the complaint will be referred to the Animal Control Officer.
- . A written statement is required. Enforcement Action not witnessed by the police must have proper documentation. NHRSA 466:31 III (b) requires that the name of the reporting party be released.
- . When the investigation is complete a civil violation notice may

be served and if it is not answered a summons to District Court will follow.

It is our privilege to serve the Town of Barrington and its residents. Our goal is to render efficient and professional service to our community. We encourage anyone with questions or concerns to contact us. Our department will better serve the community's needs with community participation.

2011 REPORT OF THE BARRINGTON FIRE & RESCUE DEPARTMENT

2011 was a very busy year for our Fire and EMS personnel who responded to 496 medical aid requests and 388 fire/rescue calls for a total of 884 calls. This is an increase of 185 calls over 2010 and averages just under 2.5 calls a day including weekends and holidays.

To put this in perspective an EMS call lasts an average of 2 hours, requiring a minimum of 2 responders to transport and another 1-2 for support. While an average fire call requires 6-8 responders and lasts an average of 1 hour with some incidents lasting 3-4 hours. An overwhelming majority of these calls were handled by 35 highly trained and skilled volunteers, complemented by our 2 full-time employees. As you can see, our responders are kept very busy.

Barrington's firefighters and EMTs are committed to providing the highest level of service possible. We attend weekly in-house training sessions, monthly outside training and many outside weekend training classes throughout the year, all in an effort to provide the best service possible to our residents and guests. When you consider emergency response and training times, it is clear that our responders spend quite a bit of time away from their families. A big thank you to the families who sacrifice so much to enable us to do what we do!

Our mission is truly a team effort which would be much more difficult without the assistance of the Barrington Police and Highway Departments. Our residents can be proud of their diligent efforts to keep us all safe. My thanks for all they do. I also want to thank the staff at Town Hall from the Town Administrator, to the Planning and Building Department and their staffs to the girls in the Selectmen's Office. Your assistance to our department as we strive to accomplish our goals is immeasurable. Thank you.

We are very fortunate to have a high level of support from our residents. Your kind words and occasional thank you note or letter of encouragement brings a smile to our faces and lifts our spirits as we continue our efforts. These kind gestures mean a lot to all of us.

On Sept 1, 2011 our Code Enforcement Officer Ted Buczek retired after many years of dedicated service to Barrington. I have known Ted for many years both personally and professionally and we have worked very closely over the years. He will be missed. Thank you Ted, for all you have done.

I extend my deepest gratitude to our Firefighters and EMTs for always getting the job done even under very adverse conditions. Day or

night, sometimes in treacherous weather conditions, you give freely and willingly of yourselves to help those in need. I am extremely proud and grateful to each of you for your tireless efforts. Without our dedicated volunteers we could not get the job done. Thank you.

The best way to keep your family safe during an emergency is to ensure that your driveway and home are properly marked with your street number. Ask yourself, can emergency services find our home quickly in an emergency? If the answer is no, fix it! If we can't find you we can't help you. Ensure that you have working smoke detectors on all levels of your home as well as inside and immediately outside all sleeping areas. Working smoke detectors save lives.

For the latest Fire/EMS information, log on to the new town website and click on the Fire & Rescue link. Be sure to let us know what you think! We also encourage you to check us out on Facebook.

Barrington has many volunteer opportunities from Fire & EMS to library, recreation and the various boards and commissions. If you already volunteer, thank you! If not, I suggest that you find an area that interests you and get involved. You will be glad you did. Finally, a big thank you to all the responders of Barrington Fire & Rescue...you folks make it work. Thank you and God bless!

**2011 REPORT OF THE BARRINGTON FIRE WARDEN
AND STATE FOREST RANGER**

Our Fire Department focuses on halting illegal burns and educating our residents on the importance of observing the state laws that govern outside burns. Illegal burning can result in a fine of up to \$2,000, along with repayment to the town and/or state for suppression costs and payment for any damages caused to another's property.

A written permit is required prior to all burns unless there is sufficient snow cover as defined in state law as "complete cover with no burnable vegetation within 100ft in all directions of the pile."

To obtain a burn permit one must be the landowner or present written permission from the landowner, have adequate means to extinguish the fire and remain at the burn site until it is fully extinguished. Only brush smaller than 5" in diameter may be burned and it is unlawful to burn trash, construction debris, or painted or pressure-treated material.

Brush fire permits are issued only during periods of steady rain. Per state law, when the rain stops all daytime burns must be extinguished. You may obtain a permit at the Selectmen's Office or the Fire Station during normal business hours. All other times, you must contact the Warden or a Deputy Warden to obtain a permit to burn.

Cooking and campfire permits are issued seasonally and subject to an initial inspection of the burn site by the Fire Warden or a Deputy. Please contact the Fire Station at 664-2241 for more information.

State law requires an inspection and written permit for outside fireplaces and chimeneas. Neither is allowed on a porch, deck or within 25ft of any structure.

Recognizing and following the state's regulations will make your outdoor experiences safe and enjoyable for you and your family.

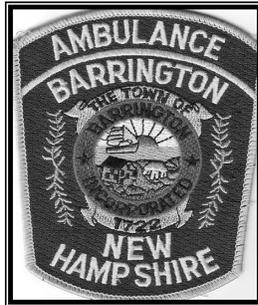

If you have any questions regarding outside burning, please do not hesitate to call the Fire Station at 664-2241 or Town Hall at 664-9007

2011 REPORT OF THE BARRINGTON FIRE & RESCUE - EMS DIVISION

2011 was a very active year for Barrington's Ambulance. Our volunteer EMS responders were called out for 496 medical emergencies (20% more than 2010) and we transported 274 patients (13% more than in 2010). We relied on Mutual Aid Services to transport only about 3.8% of our patients (most were because the ambulance was already on a call). We were able to supply EMS mutual aid to our neighbors as well. These changes in mutual aid were due to having full-time, paid, EMS providers available for the daytime ambulance crew. This increase in patient transports also contributed to over a 20% increase in EMS payments to the Town's general fund.

We had at least one licensed provider from Barrington at more than 99% of all calls. The average response time from pager to first patient contact was 12 minutes. The criticality of shortening first responder time cannot be over emphasized. One well equipped EMT can stabilize patients until additional help or an ambulance arrives.

We currently have 15 active volunteer Emergency Medical Technicians (EMTs), including EMT-Basics, Intermediates and Paramedic levels on our team. All of our volunteer EMTs have jobs or attend school outside of town and are not normally available to respond to calls during the week. NH State law requires at least two licensed EMS providers, one of which must be an EMT, in order to transport a patient. Each patient transported to a hospital takes an average of one and a half hours round trip from the pager going off to when the ambulance returns to the Public Safety Building.

In May of 2011, I participated in the EMS Memorial Bike Ride as a "Muddy Angel". The Muddy Angels pedaled 500 miles from Boston, MA to Washington, DC in one week, to honor our fallen EMS brothers & sisters and raise funds for their families (EMS providers are not yet eligible for death benefits as are the Fire and Police). I will be riding again this year and you can make a donation to support the Muddy Angels purpose at www.MuddyAngels.com.

Barrington EMS planted and decorated another Christmas tree on the corner of Franklin Pierce Highway (Rt 9) and Calef Highway (Rt 125). We are hopeful that this one will take root and grow!

PLEASE UPDATE YOUR HOUSE NUMBER AT THE ROAD. There is nothing more tragic than having an EMS provider trying to respond to your medical emergency, and not getting there in time due to an old address number or no number displayed as specified by the NH E-911 System. Please help us to help you and your loved ones!

If anyone is interested in volunteering on our service or has any questions for us, they can leave a message at 664-7394, my E-mail address AJM11013@aol.com or contact me directly on my cell phone at 969-4361. Please also visit our web page off the Town of Barrington's website at www.barrington.nh.gov.

**2011 REPORT OF THE BARRINGTON
BUILDING INSPECTOR / HEALTH OFFICER**

In 2011, we saw a considerable decline in new homes with an average of only 2 new dwelling units per month. The total overall number of permits issued for other types of construction remained about the same. In contrast, we saw a surge in gas and electrical permits especially those for generator installations. Therefore, the volume of day to day inspections remains high and covers a wide area. Time is also spent in the office responding to questions, reviewing codes and addressing zoning and enforcement issues.

Last year brought a change of Building Inspector. Ted Buczek's good fortune enabled him to retire and on September 1st, Thomas Abbott of Rochester became our new Building Inspector. He enjoys his position and looks forward to the new challenges and will bring forth some new ideas for 2012.

Health Inspector duties include inspecting daycare facilities, schools and foster homes. The number of requests for these inspections has doubled. Other issues addressed include failed septic systems, water tests and other health and safety concerns as well as responding to public questions and complaints.

The Building Safety Department wants to remind property owners that permits are required for rebuilding, upgrading electrical and/or plumbing, new oil/gas monitor/solid fuel appliance installations, swimming pools, signs, outbuildings, garages, additions, remodeling, water filter systems, etc. Please call with any questions whenever you are considering a project to see if a building permit is required! **You may leave a message with the Building Department's voice mail system at any time. 664-5183**

2011 REPORT OF THE BARRINGTON ROAD AGENT

Rising costs and budget restrictions made 2011 a year of tough decisions. Pond Hill, Hall and Young Roads were scheduled for paving this year but our budget allowed us to complete only two of these projects. Therefore, the paving of Young Road has been postponed. We hope to be able to add it to our 2012 schedule.

Dubois and King Engineers have completed a road analysis study for Barrington. The study notes that our current level of funding for road maintenance is not sufficient to maintain our current road infrastructure. In March of 2012, voters will decide whether to allow our road maintenance to fall even further behind or to increase the funding for paving and allow us to maintain our paved roads to a safe and passable standard.

Our road crew continues to perform cold patching, culvert replacement and brush cutting, along with the grading and maintenance of our gravel roads. We were able to repair a section of Chesley Drive and Waterhouse Road and replace a culvert which should improve travel in that area. During the winter months plowing and sanding are added to our schedule.

Last year we purchased a tractor with a flail mower, allowing us to do roadside mowing. The roadside may appear rough at first but with clean-up and continued mowing, it will soon look much better.

As we move into 2012, the challenges continue and our crew will persevere to provide our residents with the highest level of service possible.

I would like to extend my sincere gratitude to all town departments for their assistance and support. I am also very grateful to my road crew for their hard work to keep our roads as safe as possible, even under difficult conditions.

Thank you to our residents for your help and support. It is my hope that this year your vote will support the highway budget and allow us to continue providing the quality of service that you deserve.

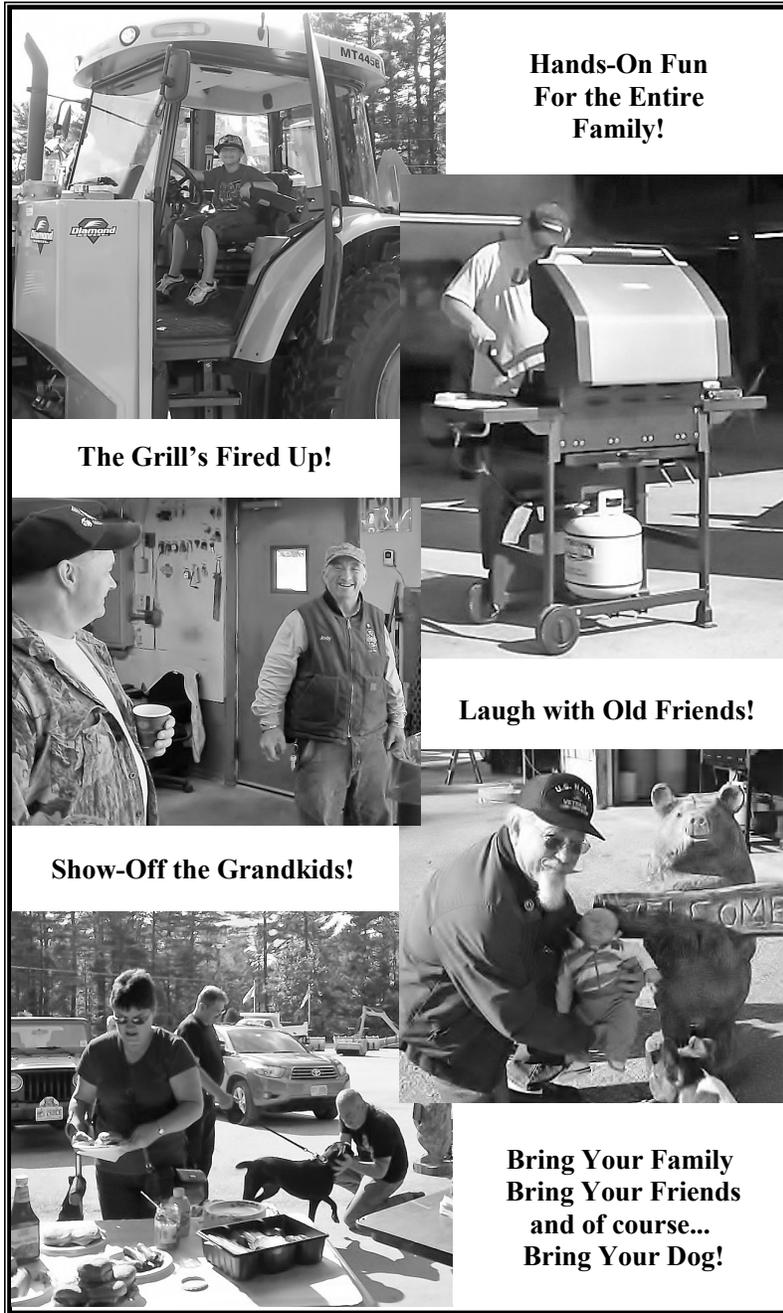

I hope to see you all next fall at the 2012 4th Annual Highway Department's Open House!

**2011 REPORT OF THE BARRINGTON
TRANSFER STATION AND RECYCLING CENTER**

Thanks to an unexpected low volume of household waste, the Transfer Station and Recycling Center will close out 2011 under budget. I believe we will be able to hold this line on the 2012 budget, although I do expect an increase in the tonnage as well as a per ton price increase from Waste Management.

Our 2011 recycling activity commenced with a slow down in the markets, thus reducing the amount we received for our recyclable waste. However I am most happy to report that as the year wore on the markets improved and appear to be returning to normal.

In early summer we underwent a non-scheduled inspection from NHDES (New Hampshire Department of Environmental Services). Although the inspection did reveal some issues that will need our attention, no serious problems were found and the overall report on our facility was good.

We will continue to hold “Household Hazardous Waste Day” for our residents. For more information watch our website and the local newspaper. When the date is determined, it will be announced in both places along with a list of what materials will be accepted.

Volunteers are the foundation of our Recycling Center and I extend to them my deepest appreciation. Without our volunteers this facility could not function as efficiently as it does. If you would like to donate some of your time for this worthwhile endeavor, please call the Barrington Town Hall at 664-9007 and they will be happy to put you in contact with someone who can help you get started.

My sincere thanks to all of our residents for their continued support of our Transfer Station and Recycling Center budget.

2011 REPORT ON BARRINGTON'S DAMS

The 2011 dam budget was sufficient to maintain Barrington's dams and the 2012 budget will show no increase. The registration fees for our dams has not increased since 2010.

As of this writing, we are awaiting an inspection of our dams to be performed by NHDES (New Hampshire Department of Environmental Services). Although it is always a relief when these inspections are completed, I do not anticipate any major issues resulting from these inspections.

The 2012 schedule includes monitoring, mowing and maintaining the dams and in the coming year we hope to accomplish the task of staining the building at the Swain's Lake Dam.

Anyone with questions regarding dams that are owned by the town may call 664-9007. Someone in the office will be happy to answer your questions or direct you to the person who can.

2011 REPORT OF THE BARRINGTON PLANNING BOARD

Over the past year your Planning Board has been diligently examining and hearing the applications for subdivisions, lot-line adjustments and site reviews that came before us. Although the influx of applications was steady it was not overwhelming, allowing the Board to take advantage of the extra time to work on re-writing Barrington's Subdivision and Site Review Regulations.

In 2011, we established a Rules and Regulations sub-committee to facilitate the changes to our Subdivision and Site Review regulations and to establish a new list of rules and procedures for the Planning Board to follow. We are very grateful to Alan Kelly, committee chair, and to members Tony Gaudiello, Ed Lemos and Michael Clark for donating even more of their personal time to provide this service to the Board and to our community. A special thanks to UNH intern Dan Howard for his technical assistance with editing our re-write projects.

Also in 2011, a cooperative effort between your Planning and Select Boards resulted in a decision to transfer the supervision of road construction from the Planning Board to the Select Board. This was a practical move that will help to streamline the deliberation process as the Selectmen decide whether to accept a new subdivision road.

The Planning Board welcomes the firm of Dubois and King who will now serve as our town's consulting engineers.

Two long-time members retired from the Planning Board this year. We extend our deepest thanks to Edward Lemos and David Vincent for their many years of dedicated service. They brought experience and insight to the Board that will certainly be missed.

The Board wishes to thank Planner Constance Brawdors and Planning Secretary Barbara Irvine for their assistance. We also thank Greg Jones for taking and transcribing our meeting minutes.

In the coming year, your Planning Board will continue to examine the Zoning, Subdivision and Site Review regulations to ensure that they remain consistent and relevant.

We are happy to report that a review of our Master Plan revealed that we have successfully met the vast majority of goals that the plan outlined. In the coming year we will begin the process of creating a new Master Plan for Barrington. This guiding document will help to ensure that our town continues to grow and develop in a positive

manner as directed by our residents and their vision for our community.

Planning Boards play a very important role in shaping a community. This is most successfully done when the residents participate by providing their input as to what they would like the future of the town to be. Your Barrington Planning Board encourages all residents to attend our meetings, not only to learn more about how your Planning Board functions but also to share with us your ideas and your vision for our community.

2011 REPORT OF THE BARRINGTON ZONING BOARD OF ADJUSTMENT

Zoning has been recognized in the United States as a comprehensive land use planning technique since 1916. The Barrington Zoning Board of Adjustment functions as a quasi-judicial body, which means the ZBA is empowered to grant relief from the strict application of the Zoning Regulations (variances), approve certain uses of land (special exceptions), and hear appeals of actions taken by the Zoning Administrator, also called the Code Enforcement Officer and/or Building Inspector here in Barrington.

Board members are encouraged to stay informed with Land Use Law regulation changes by attending the Local Government Center Municipal Law Lecture Series held each October

The Board of Selectmen appoints a five-member board of adjustment to serve three-year terms for the Town of Barrington. The New Hampshire State Statues allow, in addition to a five member regular board, appointments of three alternate member positions. Regular members of the ZBA for 2011 were Chairperson Karyn Forbes, George Bailey, Ellen Conklin, Raymond Desmarais and Gerard Gajewski. Currently, there are three vacancies for the alternate delegation. We welcome considerations for full and alternate appointments to the ZBA; please let the Land Use Department know of your interest in participating on this Land Use Board.

The Zoning Board of Adjustment met eight times in 2011. In June, the meeting site was relocated from the Elementary School Library to the Barrington Early Childhood Learning Center. The ZBA meets one evening per month on the third Wednesday. We encourage residents to attend meetings

Of the five applications before the Zoning Board, one application was dismissed; one application was withdrawn; two Variance requests were granted; and one Special Exception and Variance was approved. The Zoning Ordinance, Zoning Map, and application form may be found conveniently on line at the Land Use home page under Tools for Planning and Development at <http://www.barrington.nh.gov/TownHall/LandUse.aspx>. Please contact the Land Use Office to discuss the application process and to schedule an appointment with the Town Planner before submitting your request to the department.

2011 REPORT OF THE BARRINGTON CONSERVATION COMMISSION

Under New Hampshire RSA Chapter 36-A, the Conservation Commission is charged with advising other town boards about matters relating to the protection of the town's natural resources. We also review applications to the New Hampshire Department of Environmental Services for projects that affect wetlands, shoreland, etc., and work towards conserving the most environmentally important lands in town. Given recent cutbacks in state services, the 'eyes' of the conservation commission are more important than ever to the state.

Early in 2011 the commission was delighted to release its new web site (<http://www.barringtonconcom.org>). In addition to information about Barrington's natural resources and links to the state agencies that regulate them, there are descriptions and maps of trails that are open to the public.

To further the use of these trails and the appreciation of the many natural wonders of Barrington, our Conservation Commission, along with the Natural Heritage Committee, has begun a series of guided hikes on these trails. We are especially interested in getting the trails

used by young people, as it seems that so many of them have become more attached to a virtual world than the real one. Check the web site along with other publications to find more information about these organized hikes in and around Barrington, or to just get out there on your own!

Also in 2011, the State legislature passed and Governor Lynch signed legislation designating the Oyster River and the upper portion of the Lamprey River watershed as State Designated Rivers under the New Hampshire River Management and Protection Program. A designated river is one that is managed and protected for its outstanding natural and cultural resources. The town has appointed representatives to the local advisory committees for these rivers. The Isinglass River was designated in 2002.

In May our commission hosted, along with the state's Conservation state.

Land Stewardship Program, a workshop on Conservation Easement Field Monitoring. Held at the Warren Farm, it was attended by conservation commissioners and other interested parties from all over the town. As part of the continuation of Barrington's Natural Resource Inventory begun in 2009, we have nearly completed the production of an updated co-occurrence map of the town. Using GIS technology provided by the Strafford Regional Planning Commission, this map will show the areas in town that have the most natural resource value. Areas are given point values for any of several criteria, including water supply protection, sizes of roadless areas, wildlife habitat, etc. and these are summed on the map to guide us as to which parts of town are most in need of protection. Look for the release of this map early in 2012.

Finally, the Barrington Conservation Commission welcomes new members of all ages who have an interest in conservation, and we are very much in need of new alternate and regular members. If you would like to learn more about Barrington's natural heritage and help to protect it for future generations, please come to a meeting to find out about what we do – no experience necessary!

2011 REPORT OF BARRINGTON'S PARKS AND RECREATION DEPARTMENT

The mission of the Parks & Recreation Department is to serve as a positive presence in the community, enhancing the quality of life, by providing diverse and equitable programming that fosters a sense of community, personal growth, health, fitness, relaxation and good sportsmanship, while providing opportunities for community involvement.

2011 was a very exciting year for the Parks & Recreation Department. In the spring we purchased Rec Trac, a progressive parks & recreation software. Rec Trac not only enables staff to efficiently handle revenue & registrations, but it also allows parents to complete the “dreaded” program registration form only once a year! But wait there’s more...as part of our goal to enhance customer friendly service, on-line registration will be available for all Recreation programs by April 2012.

Programs offered during 2011 included Teen Adventure Camp, Summer Camp - grades K–6, ARC Babysitter Course, Kindergarten Enrichment, Discovery Center, Fall Soccer, Summer Soccer, MAP, ASK, Flag Football, Lacrosse, Senior Fitness, Senior Striders, Surf Camp, February & April Vacation Camps, Men’s Basketball, High School Basketball, Soccer Camp, Zumba, Pilates, Yoga & Fitness with Laurie. Special Community Events offered included Trunk or Treat, Kids Kaos & Haunted House, Holiday Hoopla, Holiday Lights Contest & the Egg Hunt.

In December, the Recreation Department offers Holiday Hoopla. This program is a do-it-yourself craft event for families. This year our goal was to include many different Community Groups to join us, making it more of a community event. The Community Group’s responsibility was to organize & host the craft table. The goal was met and the event was very successful.

While sustaining and building upon the already great programs the Parks & Recreation Department offers, community members can look forward to the new programs being developed for 2012. For example: a Fishing Derby, Teacher Work Shop Camps, Morning Fitness

Classes for all ages, Zumba, Kickball Programs, Nature & Environmental Programs, Senior Adult Fitness Classes, Senior Adult Bus Trips, Kids Night Out programs, as well as Red Sox & Celtics trips.

Volunteers make community recreation happen! The Barrington Parks & Recreation Department would like to thank all of the volunteers who donated their time, efforts and talents over the past year. A great deal of the department's work would not be possible without the liberality of those community members & businesses. A big thank you to the Friends of the Barrington Recreation Department. Without their monetary support, many community events would not be as successful as they are. THANK YOU!

We invite all residents to participate and enjoy the many programs & events put on by your Recreation Department. Our department is always open for new ideas. The Recreation Department office hours are Monday thru Friday 8:00 am to 4:00 pm. Programming ideas, suggestions and constructive criticism regarding programming are always welcome and help us to better serve the recreational needs of all Barrington residents.

2011 REPORT OF THE BARRINGTON PUBLIC LIBRARY

The library circulated 99,148 of our own items this year plus 1,745 items we borrowed from other libraries across the state for a grand total of 100,893 circulations! Please see the full statistical report included on another page for details on all aspects of library use in 2011. We saw increases in the use of our online resources such as downloadable E-books and audiobooks as well as many other areas. This download service can be accessed at <http://nh.lib.overdrive.com>. It is FREE to any cardholder as long as you have no current fines or overdue items and your card is not expired. We update patron information yearly.

You can now visit a New England museum and get reimbursed for up to \$25.00 of the cost. <http://www.barringtonlibrary.com/barrington/documents/museumpassbrochure2011.pdf> is the link where you can find the reimbursement form, or pick one up at the library. The Friends of the Library have set aside \$500.00 per year for this program and once funds are exhausted, the program will end for that year. You can also use our discounted pass for the Children's Museum in Dover by calling the library to reserve a day. The reimbursement program may not be used for the Children's Museum.

Our major project this year was the selection and implementation of a new library web site. Visit this new site www.barringtonlibrary.com for a great new look and easier links to community data, research websites, databases, and our online catalog. Patrons can get an RSS feed of library events, sign up for our e-newsletter blasts, and view bestseller lists. We have new children and teen pages with great links, media clips for fun, and a media wall to view author biographies and the newest teen and kid titles. This website update was paid for entirely with funds donated by library customers.

2012 tasks include procuring a new range of shelving to help with our over-crowding issue. The library currently houses 39,499 items in only 3,740 Sq. feet. We struggle daily to make room for resources people love to check out as well as leaving some space for people to sit, read, have programs, and access computers. We will also be updating some of our 12 year old furniture to more ergonomic pieces that support a healthy workplace. We plan more training for the public on the use of electronic devices such as e-readers and audio players. We plan to have classes and also offer drop-in help sessions by appointment for patrons who may require some one-on-one assistance. We will be getting a movie license to show films in the

library. Groups who wish to show a film may do so at the library under our agreement. Contact the Director for more details.

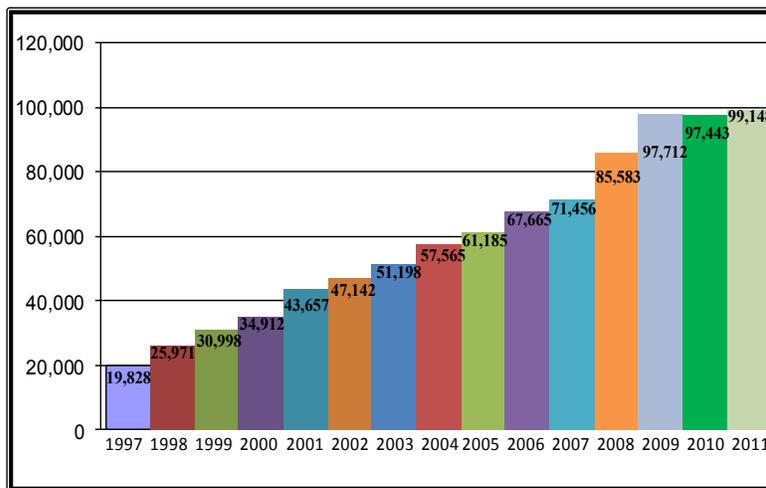

The library wishes to thank the many volunteers who worked on projects, helped at the desk, and provided tech support; the combined value of their work, and savings to the Town, is approx. \$7,688.00. The Friends of the Library donated funds towards programs, museum passes, magazines, our e-mail newsletter service, and shelving end caps. Thanks to an anonymous donor we were able to buy a defibrillator for public safety. The library could not provide the level of services, materials, or assistance it currently offers without this support. Our budget request reflects only a portion of what it actually takes to run, maintain, and upgrade your library.

School District Meeting-Deliberative Session
Saturday, February 12, 2011, 9:00 AM

The State of New Hampshire

At a legal meeting of the inhabitants of the Barrington School District, the following action was taken on the School Warrant on Saturday, February 12, 2011. Moderator, Stanley Swier, called the meeting to order at 9 o'clock A.M. at the Middle School on 51 Haley Drive in Barrington. The first session consists of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

- (a) Warrant articles whose wording is prescribed by law shall not be amended.
- (b) Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot, and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 8, 2011 at the Barrington Middle School on Route 9 in Barrington. The polls shall be open from 8:00 A.M. to 7:00 P.M.

The Moderator stated the following rules of order:

- . No smoking.
- . No set rules of order.
- . The Moderator reserves the right to limit debate.
- . Comments should be concise and to the point.
- . The Moderator must recognize persons before speaking.
- . Those who haven't had a chance to speak will have the chance before others who have spoken.
- . Only registered voters can speak.
- . No personal attacks will be allowed.

Present were School Board members: Chairman, David Gibson, Deb McNally, Michelle Antosiewicz, Moira Taylor, and Scott Francisco; Advisory Budget Committee members present: Steve Conklin, Ellen Conklin, Bob DiTursi Doug Langdon and Susan Price; Also present: Peter Phillips, School District Attorney; Dr. Henry J. Aliberti, Jr., Superintendent; Mary M. Maxwell, Elementary School Principal; Cheryl Peabody, Elementary School Assistant Principal; Michael Powers, Middle School Principal.

Superintendent, Dr. Henry Aliberti, presented a review of the District's profile: the total proposed budget is \$18,644,726 - which is an increase of 3.9%; one of the major accomplishments of the District this past year was to move the kindergarten and the SAU offices to the Early Childhood Learning Center building (ECLC), freeing up space at the elementary school; some of the upgrades on the ECLC building were roofing, tile, air quality and electrical; and an award was given to the Assistant Principal and a teacher at the middle school for outstanding work and instructional accomplishments. Dr. Aliberti stated that the District has ongoing goals and standards. On March 21 at 6:00 there will be a public meeting to discuss the District's space assessments.

Mr. Gibson presented information on the proposed budget. Mr. Gibson stated that the Board has a fiduciary responsibility to the taxpayers but also has to focus on meeting the school in need of improvement requirements. The Board has included in the proposed budget: a half time Reading Specialist for the middle school; a nurse for the ECLC; a behavior specialist for the middle school; and a half-time case manager. There are increases to the lines for stipends for coaches, oil, electricity, and high school tuition. Mr. Gibson stated that the ABC recommended running middle school and elementary bus routes together and the Board investigated it and found that it would not be cost effective. Mr. Gibson stated that the default budget is last year's budget with contractual obligations and additional costs for fuel and electricity. Mr. Gibson stated that the warrant article for the teachers' contract was approved by the Board and by the teachers. Mr. Gibson believes it is a good contract that re-balances compensation to new teachers, as Barrington is the least competitive in the NH. Mr. Gibson stated that unlike other contracts, this one is not COLA based and has a maximum of 3.5% increase.

Clerk 1 yr: Cindy Taylor

Moderator 1 yr: Stanley Swier

Treasurer 1 yr: Janet Clark

School Board 2 yrs: Scott Francisco

School Board 3 yrs: Michelle Antosiewicz

ARTICLE S-2: “Shall the school district raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$18,644,726? Should this article be defeated, the default budget shall be \$18,178,564 which is the same as last year, with certain adjustments required by previous action of the school district, or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only.” (Majority vote required)*

NOTE: This Warrant Article (operating budget) does NOT include appropriations in ANY other warrant articles.

Ms. McNally made a motion to accept Article S-2 as read. Seconded by Ms. Antosiewicz.

Discussion followed on the housing market and how many people have not received raises in several years. There was a question on where the funds came from for the ECLC renovations. Dr. Aliberti stated that we received \$250,000 from ARRA funds and allocated \$200,000 from surplus. Dr. Aliberti stated that surplus funds cannot go toward salaries, but can go toward supplies. There was a question regarding the increase spent on water testing. Dr. Aliberti stated that there had been a water issue at the elementary school and the State requires the water to be tested several times.

Ken Grant presented the Moderator with a Citizen’s Petition to have a secret ballot to amend Warrant Article S-2.

Ken Grant made a motion to amend Article S-2 and reduce the total bottom line to \$17,894,726.00, a \$750,000.00 reduction. Seconded by Bob Ott.

Moderator declared Secret Ballot Petition failed. Yes- 29, No - 74

Moderator Swier declared Article S-2 would appear on the ballot as written.

ARTICLE S-3 TEACHER MULTIPLE YEAR COLLECTIVE BARGAINING AGREEMENT ARTICLE: “Shall the voters of Barrington vote to approve the cost item included in the collective bargaining agreement reached between the Barrington School Board and the Barrington Education Association, Inc. that calls for the following increases in salaries and benefits at the current staffing level:

<u>Fiscal Year</u>	<u>Estimated Increase</u>
2011-2012	\$118,329
2012-2013	\$162,619
2013-2014	\$130,213

And further to raise and appropriate the sum of \$118,329 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement.” (Majority vote required). *

* NOTE: This Warrant Article (S-3) pursuant to RSA 273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed.

Ms. McNally made a motion to accept Article S-3 as read. Seconded by Ms. Antosiewicz.

The ABC does not approve the Article by a vote of 0-5.

Discussion followed on a national trend of merit pay and accountability. Mr. Gibson stated that this contract gives us clarity for the next three years. Since it is not based on COLA the district knows what the expenditure for salaries will be. There was a question about whether this article could be amended. The Attorney stated that the dollar could be amended but that would allow the Union to reopen negotiations.

Moderator Swier declared Article S-3 would appear on the ballot as written.

Article S-3 Failed To Pass

ARTICLE S-4 PARAPROFESSIONAL MULTIPLE YEAR COLLECTIVE BARGAINING AGREEMENT ARTICLE: “Shall the voters of Barrington vote to approve the cost item included in the collective bargaining agreement reached between the Barrington School Board and the Barrington Paraprofessional

Association, NEA-NH that calls for the following increases in salaries and benefits at the current staffing level:

<u>Fiscal Year</u>	<u>Estimated Increase</u>
2011-2012	\$72,506
2012-2013	\$74,122
2013-2014	\$75,825

And further to raise and appropriate the sum of \$72,506 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement.” (Majority vote required). *

* NOTE: This Warrant Article (S-4) pursuant to RSA 273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed.

Ms. McNally made a motion to accept Article S-4 as read. Seconded by Mr. Francisco.

The ABC approves this article by a vote of 5-0.

Moderator Swier declared Article S-4 is would appear on the ballot as written.

Article S-4 Failed To Pass

ARTICLE S-5 AUTHORIZATION FOR SPECIAL MEETING ON COLLECTIVE BARGAINING AGREEMENTS: “Shall the voters of Barrington, if article #S-3 and/or S-4 is defeated, authorize the Barrington School Board to call one special meeting, at its option, to address article #S-3 and/or S-4 cost items only?” (Majority vote required).

Mr. Francisco made a motion to accept Article S-5 as read. Seconded by Ms. Taylor.

Moderator Swier declares Article S-5 is prescribed would appear on the ballot as written.

Article S-5 Failed To Pass

ARTICLE S-6 CHANGING THE PURPOSE OF AN EXPENDABLE TRUST FUND REPAIRS/RECONSTRUCTION: “Shall the voters of Barrington vote to change the purpose of an existing expendable trust fund known as the New School Building

Planning fund to Facility Repairs/Reconstruction for the purpose of facility repairs/reconstruction and to appropriate the sum of twenty-five thousand dollars (\$25,000) such sum to come from the June 30 fund balance available for the transfer on July 1?" (2/3 vote required).

Ms. McNally made a motion to accept Article S-6 as read. Seconded by Ms. Taylor.

Steve Conklin from the ABC stated that the ABC approved changing the purpose of this trust fund but did not know there would be the \$25,000 appropriation. Mr. Conklin made a motion to amend Article S-6 to \$0. Seconded by Ellen Conklin.

The Moderator declared the motion failed by a majority show of hands.

Dr. Aliberti stated that this fund is for major repairs and unforeseen issues. Right now there are leaks in the elementary roof. Mr. Gibson stated that we are trying to bring predictability to the budget. This money would come from surplus if there is one. It was pointed out that surplus is still taxpayer money.

Moderator Swier declared Article S-6 would appear on the ballot as written.

Article S-6 Failed To Pass

ARTICLE S-7 CAPITAL RESERVE FUND TECHNOLOGY:
"Shall the voters of Barrington vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of supplementing technology equipment replacement and to appropriate the sum of twenty-five thousand dollars (\$25,000) such sum to come from the June 30 fund balance available for transfer on July 1?" (Majority vote required).

Ms. McNally made a motion to accept Article S-7 as read. Seconded by Ms. Taylor.

The ABC supports this Article by a vote of 5-0.

Dr. Aliberti stated that right now we have three Capital Reserve Funds, one for a High School, one for Special Education, and one for Planning. Dr. Aliberti was asked how much has been spent from the high school fund. Dr. Aliberti stated that funds have been spent on assessments, surveys, soil testing, and an architect, but he does not know the exact amount spent at this time. Dr. Aliberti stated that there had been some conceptual, computer designs, but there are no blueprints yet.

Moderator Swier declared Article S-7 would appear on the ballot as

written.

Article S-7 Passed With A Majority Vote

ARTICLE C-1 CITIZEN PETITION ARTICLE

FULL-TIME KINDERGARTEN: “Shall the school district raise and appropriate \$392,000.00 to establish and operate a full-time kindergarten program for the fall of 2011. The tax impact of this appropriation is 44 cents per thousand.”

Michelle Veno made a motion to accept Article C-1 as read. Seconded by Brandy Maas.

Mr. Conklin from the ABC stated that the ABC does not support this Article. Mr. Conklin believes that if this were to pass, then the SAU offices would have to move and perhaps rent space somewhere and that would incur additional costs. Discussion followed on the Board’s timeline for full-time kindergarten and why they would like more time to inform the public and prepare the building. Brandy Maas stated that using that building for children is more important than the SAU using it and she also believes the District has the ability to get the building ready by fall of 2011.

Mr. Conklin made a motion to amend Article C-1 and add \$79,000 for a total of \$471,000. Seconded by Ellen Conklin.

The Moderator called for a vote. Moderator declared the motion failed by a majority show of hands.

Ken Grant made a motion the amend Article C-1 and reduce the amount to \$0. Seconded by Bob Ott.

The Moderator called for a vote. Moderator declared the motion failed by a majority show of hands.

Moderator Swier declared Article C-1 would appear on the ballot as written.

Article C-1 Failed To Pass

Ms. McNally made a motion to adjourn at 12:15 PM. Seconded by Ms. Antosiewicz.

The Moderator declared the motion passed by a majority show of hands.

2011 REPORT OF THE SUPERINTENDENT OF SCHOOLS

Serving as Interim Superintendent, it is my pleasure to submit this year's annual report. Without reservation, I am pleased to report that the children of Barrington are receiving a top rate education, thanks in large part to a visionary and trusting school board, dedicated and gifted administrators, and creative and highly professional teachers and staff. What separates Barrington from many other school districts is the level of trust for teachers and school leaders that is ever-apparent when I speak with school board members, parents and community members. It has been encouraging for me to witness the deserved respect I have noted in Barrington for public education, teachers, and other school personnel. I hope it is as clear to the larger community that we consider parents, guardians, grandparents, and other community members as our essential partners in the mission to fully educate and inspire each child who comes through our doors. Collectively, we have every opportunity to know and challenge all children and to give them the opportunity to live a rich life.

This past summer the New Hampshire Department of Education approved the Early Childhood Center as a separate school. With this news, we now have three schools in Barrington: Early Childhood Learning Center, Principal Michele Foley, student enrollment 138; Barrington Elementary School, Principal Mary Maxfield, student enrollment 429; and Barrington Middle School, Principal Michael Powers, student enrollment 453. In addition, we have 453 high school students attending Dover High School, or other area high schools, with the additional expense paid by families, not the Barrington School District. We continue to get word from the receiving high schools that Barrington's students enter high school well prepared for the academic demands and discipline necessary to achieve at the next level of formal education.

Our enrollments continue to climb. As of October 1, we had an additional 46 students enrolled pre-K through Grade 12. We anticipate even larger enrollment this coming school year.

I am impressed by the level of accomplishment of our teachers. At this time, 61, or 63% of our teachers hold advance degrees. Over 24 teachers have been with BSD for 10 or more years. This longevity is important for continuity of effort and ongoing school improvement. This year, unfortunately, we lost 13 teachers. Some retired, but more left for more lucrative teaching positions in the area. I am hopeful that the new collective bargaining agreements that have been ratified

by the school board, teachers' association and Paraprofessionals' association will be supported by voters this March. A more competitive salary schedule for both associations is in Barrington's overall best interest and would lift the morale of our employees.

A new five-year plan for BSD is being drafted at this time. Central to this long-range plan is our commitment to helping each student learn to read, write, and do arithmetic. In addition, we want a focus on school climate and increased cooperation and coordination between our schools, all for the benefit of our students.

Approximately 280 of our students are enrolled in Special Education, representing 20% of our pre-K-12 enrollment. Barrington serves students with a wide range of disabilities thanks largely to the talents and hard work of specialized teachers, paraprofessionals, counselors, psychologists, and therapists. It is a credit to the Barrington School District that a decision was reached years ago to do our best to mainstream students to the degree possible by offering specialized programs and services locally that meet essential needs of our students. It is both educationally and financially beneficial for Barrington to continue to educate as many students as possible in its local schools allowing these children to feel respected as capable students and valuable members of their community.

The Barrington community has every reason to be proud of the relatively new middle school and the major upgrades to the Early Childhood Learning Center. It is important however, to point out that in the near future we need to address several capital improvement projects at Barrington Elementary School, including replacing the roof, boilers, and asphalt parking lot. In addition, at some point in the near future, especially when full-day kindergarten is instituted, we will need a facility for the central office. For now, we enjoy the use of a classroom at the ECLC.

In conclusion, I thank you for giving me the opportunity to serve your special community this school year as interim school superintendent. It has been rewarding, enriching, and enjoyable - both on a personal and professional level.

2011 REPORT OF THE BARRINGTON ELEMENTARY SCHOOL PRINCIPAL

I am proud and pleased to submit this report on behalf of the students and staff of the Barrington Elementary School.

The Barrington Elementary School educates students in Grades 1 through Grade 4 with an enrollment of 432 students. Currently there is an average of 108 students in each grade level with 18-22 students in each classroom.

The men and women who educate the children of Barrington are an outstanding group of professional, committed, and highly qualified people. I feel very privileged to work alongside individuals of such dedication who are determined to provide the best possible education for the children of Barrington. In the past our staff turnover was relatively low, however this year has brought have several new additions. We welcomed three new third grade teachers, Ashley Arnold, Britt Canner, and Jackie Jorgensen. Kate Arruda and Erica Skoglund joined our fourth grade team, and Jessica Caldwell joined our first grade team. Roseanna Drysdale is our new music teacher and choral and band director and new to our leadership team is Laura Deely, our new Assistant Principal.

While BES is still designated as a NH School in Need of Improvement (SINI) in the area of math, our scores and number of students achieving proficiency in all areas continues to climb. We are committed in our mission to develop and improve our math and reading instruction by using a variety of instructional strategies, delivering focused small group instruction, and using data to inform our planning and instruction for all students. Our professional learning communities meet weekly to address individual needs and improve learning for all. Additionally, the professional staff continues to work diligently alongside Anne Davis, our Curriculum Coordinator, to map the curriculum and align instruction with NH Grade Level Expectations and Common Core Standards.

Continuing our tradition and belief in educating the whole child, BES provides a multitude of enriching opportunities for students and families outside the general curricula. Fourth Grade Band and Chorus, The Invention Convention, Family Literacy Night, After School Enrichment, Homework Club, Math Club, are all thriving opportunities BES provides for its students and families. Additionally, we have many parent and community volunteers to whom we are eternally grateful!

The PTA continues to serve both the ECLC and BES and is an extremely supportive group providing a variety of events throughout the year. Our Back-to-School Barbeque, Family Dance, Pizza Bingo Night, Family Fitness Night, and Pancakes with Santa were particularly well attended events this year. We are grateful to this group for supporting our education and community building goals.

In closing, I would like to thank the dedicated and hard working staffs of BES, the ECLC, the District, our devoted School Board, and our very supportive Interim Superintendent, Howard Colter, for their collective efforts to continuously improve and enhance education for all Barrington students.

2011 REPORT OF THE BARRINGTON MIDDLE SCHOOL PRINCIPAL

It is always a pleasure to submit this annual report on behalf of the students, faculty and parents of the Barrington Middle School.

Our middle school continues to grow as enrollment has increased to 450 students in grades 5 through 8. We strongly believe in meeting the needs of all of our students academically and developmentally and seek to do so by offering high quality instruction within a personalized learning environment. We are now in our second year of our multi-aged grade program consisting of four separate student teams. Our two 5th - 6th teams, the Wolverines and Incredibles, consist of approximately 115 students and are each housed within a 5-classroom pod area on the first floor. Similarly, our second floor

7th-8th teams, the Avengers and Green Lanterns, are each housed within their own five classroom pod area. Each team provides core class instruction (Language Arts, Reading, Math, Science, and Social Studies) within the pod area classrooms. All four teams have five regular educators teaching the five core subjects, as well as a special education teacher/case manager. In addition, middle school students continue to take part in our unified arts program, which includes art, family consumer science, technological education, music, physical education, computer applications, and Spanish. Teachers and staff use a wide variety of methods to motivate, stimulate, and challenge students at various academic and social levels.

We continue to administer two standardized tests per year. Students take the New England Common Assessment (NECAP) and Northwest Evaluation Association (NWEA) MAP tests. The state test, NECAP, is administered in the fall of every school year. The school is currently designated as a School in Need of Improvement in the areas of Mathematics and Reading. BMS did not make AYP in both Reading and Math in 2009, but did make AYP in Math for 2010. Our 2010 Reading results were encouraging as we slightly exceeded our Index Target mark of 91 percent as a whole school, but did not meet expectations for our economically disadvantaged and educationally handicapped students.

Our local NWEA tests are administered in the spring to determine students' annual academic growth. Students are tested in the content areas of Mathematics, Language usage, and Reading. The testing data is analyzed for comparison to the national norm and percentage of students who reach their individual target growth norm. According to our Spring 2011 NWEA test results, we have met or exceeded the

norm for Mathematics, Reading, and Language usage in grades 5, 6, 7, and 8. We are clearly encouraged by these results and proud of our students.

We hold true to an enriching middle level experience for all of our students through an Enrichment program, Extended Studies program, REACH program, athletics, clubs, student council, band, jazz band, chorus, show choir, and the annual dinner theater. Approximately 75% of our middle school students take part in after school activities.

We are finding for the first time that our choice high schools, namely Dover High School, Oyster River High School, and Coe-Brown Academy are actively seeking Barrington Middle School students to enroll in their respective schools. This speaks to the dedication and talent of our faculty and the support of our parents. We are poised for making greater strides as a school in the future, and encourage feedback and input from all stakeholders in Barrington School Community.

A debt of gratitude is owed to the Barrington School Board for their tireless support of the education process here in Barrington, our PTC for their dedication to the needs of our students, our facilities management staff, and all of our volunteers who provide so much to the mission of our school. I would also like to personally thank interim superintendent, Howard Colter, for providing us with top-notch leadership over the past several months.

2011 REPORT OF THE BARRINGTON EARLY CHILDHOOD LEARNING PRINCIPAL

The Early Childhood Learning Center serves Barrington's youngest population, preschool and kindergarten. Our high quality, developmental programs give students a wonderful first experience to their academic career. Children are exposed to a solid foundation for future learning, an understanding of the connection between education and life experiences, an eagerness to challenge themselves academically, and the opportunity to develop effective social skills to succeed as life-long learners and productive citizens. Our guiding principles are simple, "Be Kind, Be Caring and Be Respectful." The current enrollment at the ECLC is 140 students. There are three half-day preschool sessions - four days per week and six half-day kindergarten sessions - five days per week.

This year, we welcomed two professionals to our ECLC team: Kelley Doucette serves as our School Counselor and Jamie Frost serves our school as the part-time Special Education Teacher and part-time Reading Tutor.

Through professional development and our Professional Learning Community (PLC), we strive to successfully achieve our annual school goals. This year the preschool staff is training through the NH Department of Education to use a new evaluation tool. The kindergarten staff, under the guidance of Anne Davis, Curriculum Coordinator, and Celia Goyette, Reading Specialist, is working together to align the Common Core State Standards in the areas of Language Arts and Mathematics.

The ECLC students and staff enjoy many events and Community Outreach activities to help the Barrington community. We began the year with a well-attended Open House, screening for kindergarten students, and our annual PJ Jump Start to Literacy Celebration hosted by the Barrington School Foundation. Throughout the year there are monthly Literacy Celebrations, a Career Day, and a Field Day. We will end the year with a school-wide field trip to Fort Foster. Our community outreach activities also include the "Do Good Denim Drive" and the "Bedtime Pajama Drive" providing 109 pairs of pajamas and books for area families in need this winter. The ECLC has launched our After School Enrichment Program this year for PK and K students.

Our Parent Teacher Association critically enhances our school. Our PTA Team gives of their time unselfishly. We are eternally grateful for all they do. It is a nice way for our first time families to get to

know other families in the community. Our Welcome Back PTA Barbecue, and Pancakes with Santa were well-attended events this year.

In conclusion, I would like to thank our highly skilled and dedicated teachers, paraprofessionals, and leadership team who provide a comprehensive and best practice approach for all our students. I would also like to thank our Interim Superintendent of Schools, Howard Colter, who has led the leadership team toward a common goal to move our district forward. Finally, a special thank you to our School Board for their endless hours of public service to make Barrington what it is!
